over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance the essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic life they show that anthologies have consequences and are grounded in commitments striving to articulate these consequences and commitments is a

priority in higher education today most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice on anthologies includes discussion of a wide range of anthologies used and produced by teachers and scholars though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines

the volumes in this set originally published between 1969 and 1990 draw together research by leading academics in the area of the rural history and provide an examination of related key issues the volumes examine social change in rural communities approaching the industrial revolution whilst also providing an overview of the history of rural populations in england france germany mexico and the united states this set will be of particular interest to students of history business and economics

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

in the course of research most scholars have known moments of surprise catastrophe or good fortune though they seldom refer to these occurrences in reports or discuss them with students serendipity in rhetoric writing and literacy research reveals the different kinds of work scholars particularly those in rhetoric writing and literacy need to do in order to recognize a serendipitous discovery or a missed opportunity in published scholarship and research the path toward discovery seems clean and direct the dead ends backtrackings start overs and stumbles that occur throughout the research process are elided and seems that the researchers started at point a and arrived safely and neatly at point b without incident as if by magic the path however is never truly clear and straight research and writing is messy serendipity in rhetoric writing and literacy research features chapters from twenty three writing scholars who have experienced moments of serendipity in their own work not by magic or pure chance but through openness and active waiting which offer an opportunity to prepare the mind serendipity in rhetoric writing and literacy research illustrates the reality of doing research there is no reliable prescription or one size fits all manual but
