the routledge handbook of translation and young audiences offers a comprehensive overview of translation in the context of young audiences the handbook synthesises research on translation of children s and young adult literature audiovisual translation the translation of comics and picture books empirical research methods and translation performed by fan communities in the digital world adopting a forward looking approach it is organised around these five key themes which taken together propose a new way of looking at interrelated phenomena which have never been brought together before to map this emerging area of study featuring 35 contributions from leading and emerging scholars the volume showcases a range of perspectives which focus on translation and cultural practices around children and young adults not only as readers viewers and consumers but also as prosumers and collaborative creators of content providing a multi layered perspective on the study of translation and young audiences this handbook will be a valuable resource for students and scholars in translation studies particularly those interested in audiovisual translation media translation multimodal texts and children s literature

written by leading experts in the area the routledge handbook of spanish translation studies brings together original contributions representing a culmination of the extensive research to date within the field of spanish translation studies the handbook covers a variety of translation related issues both theoretical and practical providing an overview of the field and establishing directions for future research it starts by looking at the history of translation in spain the americas during the colonial period and latin america and then moves on to discuss well established areas of research such as literary translation and audiovisual translation at which spanish researchers have excelled it also provides state of the art information on new topics such as the interface between translation and humour on the one hand and the translation of comics on the other this handbook is an indispensable resource for postgraduate students and researchers of translation studies

an insightful exploration of the moral and political power of the character sketch in early modern europe and the implications for our own relationship to this genre today in the fourth century bce the philosopher theophrastus a student of aristotle composed thirty character sketches depicting ordinary athenian vices idle chatter bad timing cowardice shamelessness and superstition among others centuries later this enigmatic text known as the characters was feverishly translated and imitated by early modern europeans convinced of its moral and political importance tracing this resurgence of the theophrastan tradition katie ebner landy sheds new light on the role of the character sketch as a

philosophical tool ebner landy shows that the original characters is best understood as a work of political philosophy designed to urge athenians toward civic virtue it is this quality that made the text so resonant in early modern europe where the character sketch again served as a means of encouraging ethical behavior and cultivating political knowledge during the english civil war for example the character sketch was used to diagnose new political types such as the roundhead and the cavalier by the era of the enlightenment however moral philosophy's long association with the character sketch began to break down a different approach to philosophy took hold one that spurned literary descriptions of manners mores and types and instead emphasized the principles underlying knowledge itself this shift in turn helped to drive a broader separation between literature and philosophy a revealing intellectual history the character sketch as philosophy also encourages us to consider what literary description might contribute to ethics and political thought today and to think critically about the kinds of character sketches on which we still rely from the snob to the mansplainer

offering the first systematic overview of modern and contemporary chinese literature from a translation studies perspective this handbook provides students researchers and teachers with a context in which to read and appreciate the effects of linguistic and cultural transfer in chinese literary works translation matters it always has of course but more so when we want to reap the benefits of intercultural communication in many universities chinese literature in english translation is taught as if it had been written in english as a result students submit what they read to their own cultural expectations they do not read in translation and do not attend to the protocols of knowing engagements and contestations that bind literature and society to each other the bloomsbury handbook of modern chinese literature in translation squarely addresses this pedagogical lack organised in a tripartite structure around considerations of textual social and large scale spatial and historical circumstances its thirty plus essays each deal with a theme of translation studies as emerged from the translation of one or more chinese literary works in doing so it offers new tools for reading and appreciating modern and contemporary chinese literature in the global context of its translation offering in depth studies about eminent chinese authors and their literary masterpieces in translation the first of its kind this book is essential reading for anyone studying or researching chinese literature in translation

fluid bodies traces the intersections of global movement with transgender and queer identities from authors and artists of the hispanic caribbean utilizing the theme of fluidity and travel fluid bodies analyzes novels graphic novels theatre and performance art these works demonstrate how transgender and queer bodies redefine belonging particularly national belonging through global movement and community making practices through these genres the text follows the movement of transgender and queer identities from textual spaces to spaces of the body the gradual movement from text to body as it occurs in these genres demonstrates the variety of representational strategies that

dismantle binary readings of gender sexuality and nationality transgender visibility is a pressing social issue and today's transgender moment will be a social and political necessity for years to come of particular importance are representations of transgender and/or queer people of color the field of transgender representation is growing and fluid bodies adds to the visibility of transgender and queer identity from the hispanic caribbean by investigating the relationship between novels graphic novels theatre and performance art fluid bodies emphasizes how each work plays on and against the separation of language and the body and how hispanic caribbean authors and artists represent transgender and queer identity in order to redefine cultural and national belonging in various geographic spaces
