Persuasion Persuasion Illustrated Persuasion – Large Print Persuasion Annotated And Illustrated Book With Teacher Edition *Liz Steed Jane Austen Jane Austen Jane Austen Persuasion is Jane Austen's last completed novel. She began it soon after she had finished Emma Jane Austen Jane Austen*

persuasion is the last novel fully completed by jane austen it was published at the end of 1817 six months after her death the story concerns anne elliot a young englishwoman of 27 years whose family is moving to lower their expenses and get out of debt they rent their home to an admiral and his wife the wife s brother navy captain frederick wentworth had been engaged to anne in 1806 and now they meet again both single and unattached after no contact in more than seven years this sets the scene for many humorous encounters as well as a second well considered chance at love and marriage for anne in her second bloom

persuasion is jane austen s last novel published posthumously in 1818 the story follows 27 year old anne eliot who is much older than the central characters in austen s other books having fallen in love with and persuaded to reject a poor naval officer 8 years ago anne re encounters him as a wealthy captain she is then forced to deal with her regret for past actions and growing jealousy as he courts another woman this ebook is also part of

the complete works of jane austen

persuasion is jane austen s last completed novel she began it soon after she had finished emma completing it in august 1816 she died aged 41 in 1817 persuasion was published in december that year but dated 1818 persuasion is linked to northanger abbey not only by the fact that the two books were originally bound up in one volume and published together but also because both stories are set partly in bath a fashionable city with which austen was well acquainted having lived there from 1801 to 1805 besides the theme of persuasion the novel evokes other topics such as the royal navy in which two of jane austen s brothers ultimately rose to the rank of admiral as in northanger abbey the superficial social life of bath well known to austen who spent several relatively unhappy and unproductive years there is portrayed extensively and serves as a setting for the second half of the book in many respects persuasion marks a break with austen s previous works both in the more biting even irritable satire directed at some of the novel s characters and in the regretful resigned outlook of its otherwise admirable heroine anne elliot in the first part of the story against this is set the energy and appeal of the royal navy which symbolises for anne and the reader the possibility of a more outgoing engaged and fulfilling life and it is this worldview which triumphs for the most part at the end of the novel

now available in a 16 pt large print book persuasion was the last novel written by jane austen although it wasn t published until shortly after the author s death the story persuasion is about a young 27 year old englishwoman anne elliot anne s family moves to lower their expenses and reduce their debt by renting their home to an admiral and his wife the wife s brother navy captain frederick wentworth was engaged to anne in 1806 but the engagement was broken anne and captain wentworth both single and unattached meet again after a seven year separation setting the scene for many humorous encounters as well as a second well considered chance at love and marriage for anne in her second bloom

of all jane austen s great and delightful novels persuasion is widely regarded as the most

moving it is the story of a second chance twenty seven year old anne elliot is austen s most adult heroine eight years before the story proper begins she is happily betrothed to a naval officer frederick wentworth but she precipitously breaks off the engagement when persuaded by her friend lady russell that such a match is unworthy the breakup produces in anne a deep and long lasting regret when later wentworth returns from sea a rich and successful captain he finds anne s family on the brink of financial ruin and his own sister a tenant in kellynch hall the elliot estate all the tension of the novel revolves around one question will anne and wentworth be reunited in their love
