covering a broad range of styles this comprehensive volume includes entries for more than 450 operas that have been performed over the last four centuries organized from a to z for easy reference it s a complete guide that s certain to inform and entertain any opera buff 500 photos

in depth descriptions of various operas with scene by scene aria by aria accounts

a memoir of the director of her majesty s theatre london

this is the most comprehensive analytical study ever done of the phantom of the opera in its many different versions from the original gaston leroux novel to the present day it proposes answers to the question why do we keep needing this story told and retold in the western world by revealing the history of deep cultural tensions that underlie the novel and each major adaptation using extensive historical and textual evidence and drawing on perspectives from several theories of cultural study this book argues that we need this tale told and reconfigured because it provides us ways to both confront and disguise how we have fashioned our senses of identity in the western middle class the phantom of the opera in varying ways over time turns out like the gothic tradition it extends to be deeply connected to western self fashioning in the face of conflicted attitudes about class gender race religious beliefs freudian psychology economic and international tensions and especially the shifting and permeable boundaries between high and low culture this book should interest all students of the history of western culture as well as those especially fascinated by gothic fiction opera musical theatre and film

a study guide for gaston leroux's the phantom of the opera excerpted from gale's acclaimed novels for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust novels for students for all of your research needs

history of the opera from its origin in italy to the present time with anecdotes of the most celebrated composers and vocalists of europe volume 1

this is a state by state guide to more than 90 opera houses and companies in the united states inaugural performances a history of opera in the city an ordinary season's repertory and performers and directors are highlighted

the phantom of the opera is the longest running show in broadway history and the most successful musical of all time it has been seen on stage by over 140 million people worldwide since it first opened in london on october 9 1986 at her majesty's theatre which has been its home ever since now it has been transformed into this outstanding graphic novel illustrated by josé maría beroy and adapted by cavan scott from the original libretto written by andrew lloyd webber charles hart and richard stilgoe the timeless story based on the original book by gaston leroux sees the beautiful soprano christine daaa become the obsession of the hideously disfigured and mysterious phantom of the opera the musical genius who rules through fear the paris opera house from his subterranean lair deep beneath the streets of paris relive every moment and every song of the classic stage musical from the legendary chandelier crash to christine's first visit to the paris catacombs and the phantom's lair open your mind let your fantasies unwind and let this book take you back to the wonders of the phantom of the opera

in 1910 the mystery novelist gaston leroux working from scraps of history theatrical lore and his own fertile imagination created a masterpiece in *le fantôme de l'opéra* the story of a disfigured composer who lives in the labyrinthine depths of the paris opera after the breathtaking debut of christine daaa the whispers of an opera ghost seem to become reality as the young singer vanishes as the phantom strikes again and again targeting foes from a jealous diva to a romantic rival leroux spins a thriller of obsession and violence with at its center a tormented murderer who awakens our deepest fears and sympathies the inspiration for andrew lloyd webber's long running musical leroux's novel is still more riveting than anything broadway could produce

the authors explore the means by which two early 20th century operas debussy's *pelléas et mélisande* 1902 and bartók's *duke bluebeard's castle* 1911 transformed the harmonic structures of the traditional major minor scale system into a new musical language

the invention of cinema was ingenious so much so that virtually no one quite knew what to do with it in its earliest stages especially with the advent of the feature film it needed models and opera proved to be especially useful in that regard the allure of opera to cinema early in the twentieth century held up through the silent era into sound films through the golden age of movies and beyond this book explores the numerous ways some predictable some unexpected and some bizarre in which this has happened the influence of richard wagner on filmmakers has been especially striking and some have even devised visual images that seem to emerge from a kind of non verbal wagnerian essence a formative musical urge that can underlie a cinematic idea defying explanation and remaining purely sensory directors like griffith demille eisenstein chaplin bunuel or hitchcock have intuited this possibility schroeder provides a fascinating well researched and always entertaining account of the influence of one medium on another and shows that opera can often be found lurking in the background or booming in the foreground of an impressive range of films

piano play along your favorite sheet music will come to life with the innovative piano play along series with these book audio collections piano and keyboard players will be able to practice and perform with professional sounding accompaniments containing eight cream of the crop songs each the books feature new engravings with a separate vocal staff plus guitar frames so players and their friends can sing or strum along the audio includes two tracks for each tune a full performance for

listening and a separate backing track that lets players take the lead on keyboard the high quality sound alike accompaniments exactly match the printed music 8 songs including all i ask of you angel of music masquerade the music of the night the phantom of the opera the point of no return think of me wishing you were somehow here again
