an aphoristic philosophy project by john o loughlin deriving from a collection of weblogs originally hosted by helium com which have since been extensively revised and reformatted for both escroll and as here ebook publication in the interests of enhanced understanding through a more uniformly stylistic and chronological presentation

the quest for truth chronicles the allegorical journey of youngblood hawke as he is transformed from a self serving soldier of fortune to a warrior prince presented with the question and challenge of absolute truth by a mystical sage hawke s inability to respond is an epiphany to him and marks the beginning of his struggle and quest guided by a beautiful oracle he is

introduced to the teachings of socrates plato aristotle sun tzu machiavelli nietzsche jose ortega shakespeare and william james spoken through mentors sages and prophets his thoughts become poetically philosophical as he struggles with his own destiny marked as a threat to their power and control over humanity the enemies of change seek to destroy him and his desire to understand youngblood hawke s destiny as a warrior prince is realized when he raises an army of select warriors and leads them against the mass a secret and powerful society controlling many of the world s governments youngblood hawke quickly learns that the spiritual and philosophical battle for truth will not only be waged on the battlefield but also within the darkest confines of the human mind heart and soul

this book tells the stories of some of the great quests of mathematics such as the centuries long pursuit for the proof of fermat s last theorem these quests are searches for difficult to discover universal truths pursued with passion not only by mathematicians and scientists but by kings emperors and even jean luc picard the captain of star trek s starship enterprise some of their exploits are adventures as fascinating as any historical or current day drama the truths they have discovered help us understand not only mathematics but also the universe and sometimes ourselves in addition to well known quests such as fermat s last theorem and the goldbach conjecture some of the chapters describe more recent pursuits such as the traveling salesman problem and the multi armed bandit problem while some of the quests have been completed others are still ongoing and one the six squares problem can be understood and maybe even solved by a five year old child

just like in a jungle you need a compass and a map to get out of the jungle likened to it is life it s said that life is nothing but a jungle and because this is true we need accurate directions to survive listen up god has given divine instruction in quest for the truth this divine intervention being given because of the pleas that god has heard from people since adam s time in this book you will find out how to make better decisions in your life being able to do this by the discernment you will gain and also from the greater help that you will have from god and all the holy ones that are connected to his divine kingdom see quest for the truth is a book that god has blessed so all the people in the land can learn about discernment for when we learn about discernment unhappiness and calamity is moved further away from us and since we all are looking and hoping for more love happiness peace and wisdom in our lives it is only when we gain discernment that these things are more abundantly supplied if you have any comments and questions visit us at [myspace.com/questfortruth1](http://myspace.com/questfortruth1)
