who could forget the supreme court's controversial 5-4 decision in *bush v gore* or the 2000 presidential campaign and election that preceded it hanging chads butterfly ballots endless recounts raucous allegations and a constitutional crisis were all roiled into a confusing and potentially dangerous mix until the supreme court decision allowed george w bush to become the 43rd president of the united states despite losing the popular vote to al gore praised by scholars and political pundits alike the original edition of charles zelden's book set a new standard for our understanding of that monumental decision a probing chronicle and critique of the vexing and acrimonious affair it offered the most accurate and up to date analysis of a remarkable episode in american politics highly readable its comprehensive coverage depth of documentation and detail and analytic insights remain unrivaled on the subject in this third expanded edition zelden offers a powerful history of voting rights and elections in america since 2000 *bush v gore* exposes the growing crisis by detailing the numerous ways in which the unlearned and wrongly learned lessons of 2000 have impacted american election law through the growth of voter suppression via legislation and administrative rulings it provides a clear warning of how unchecked partisanship arising out of *bush v gore* threatens to undermine american democracy in general and the 2020 election in particular

this book studies how a technological innovation in this case the computer progresses from its origin as an idea in someone's mind to its eventual manifestation as a useable and marketable consumer product

includes part 1 number 1-2 books and pamphlets including serials and contributions to periodicals january-december

on december 12 2000 a controversial decision by the supreme court of the united states effectively ended the disputed presidential contest between george w bush and albert gore jr with a 5-4 ruling that revealed the court to be as bitterly divided as the electorate four days earlier the florida supreme court had abruptly changed the dynamics of the election by reversing a lower court and ordering hand recounts of undervotes statewide the u.s. supreme court quickly stepped in to halt the recounts and agreed to hear *bush v gore* after brief oral arguments and a short period of deliberation the high court reversed the state court decision the justices in both cases were bitterly divided and passionate language emerged in both the majority rulings and the dissents the drama and divisiveness of this extraordinary saga come to life in the rulings opinions and dissents from these two cases u.s. supreme court case 00-949 *bush v gore* and florida supreme court case 00-2431 *gore v harris* the first section of this volume gathers the complete text of both rulings along with

selections from oral arguments in the u s supreme court case the second section of the book gathers the most significant opinion pieces from journalists and scholars on both sides of the political fence selected and organized by political analysts e j dionne and william kristol these articles illuminate the perspectives of both sides about the various twists and turns in the post election campaign and the landmark judicial intervention a companion website will provide links to documents from additional legal proceedings and other related documents and writings the legal and historical significance of the 2000 election will be studied and debated for years to come this volume combines the most important source documents with the most intelligent opinion and analysis about the conflict and its controversial resolution
