this open access book presents an account of five teacher educators who over a two year period undertook a research project

with five teachers of languages other than english in pre secondary schools in new zealand their collaborative aim was to develop students intercultural capability in the context of learning a new language the school participants were typical of many in new zealand s pre secondary sector the teachers had limited language teaching experience and limited prior knowledge of how to develop the intercultural dimension in their language classrooms and the students were largely at the beginning stages of learning a new language the book discusses the findings obtained using a range of data collection methods including classroom observations reflective interviews with teachers and focus groups with students it documents instances of breakthrough and growth for teachers and students and reveals the problems and tensions lastly it reflects on the lessons learned in the course of this project and speculates on the roles that teacher education needs to play if the goal of intercultural capability is to be better achieved in language classrooms both in new zealand and internationally of interest to a wide range of stakeholders in the area of education the book allows readers to gain an understanding of the opportunities of working with teachers through an action research model alongside the challenges that this brings and ways in which intercultural capability may be strengthened

a seemingly simple missing persons case leads two pi s into the criminal secrets of california s rich and powerful in this west coast mystery thriller when a pair of sisters step off the bus from minnesota and promptly go missing it seems like a simple case for private investigators madeline dawkins and mike delaney but when the trail leads them to a strange heiress who has never touched her eight figure fortune madeline and mike give up hope for a quick and easy solution the case will take mike deep into his troubled past and madeline into a cold case that could expose the dirty deeds that have made people wealthy beyond imagination at a deadly cost for others to pay ruthless criminals will go to any length to protect what they have built and it will take all of madeline s intelligence and grit to tear down the whole rotten mess without getting crushed

in addition she offers a wealth of information on foodways and on the origins and celebration of holy days from christmas eve vigils to the dyngus day festivals of the easter season book jacket

in this unique collection the editors and authors examine against a rich historical background the complex contributions that women have made to composition and rhetoric in american education using varied and at times experimental modes of presentation to portray teachers and learners at work including the very young and the elderly the text provides a generous and fresh feminine perspective on the field

anna tiver is a young woman trying to discover what next to do with her life after one day auditioning for a mysterious adventurous job she moves into a house with three co worker who become great friends but the fun nearly comes to a halt when one person goes missing the show must go on as must the search for missing lillian as anna juggles work friendships and hardships she keeps a diary of the events unfolding in her life both happy and sad when her part time summer job is over she finds herself lost modeling at an upscale women s clothing store where the writer in her feels out of place and working undercover for her uncle a private investigator on a missing person s case that has gripped the california town throughout it all anna wonders what s next

one plucky female pharmacist one high society naval officer romance and danger for plucky lillian avery america s entry into world war ii means a chance to prove herself as a pharmacist in boston the challenges of her new job energize her but society boy ensign archer vandenberg s attentions only annoy even if he is her brother s best friend during the darkest days of the war arch s destroyer hunts german u boats in vain as the submarines sink dozens of merchant ships along the east coast still shaken by battles at sea arch notices his men also struggle with their nerves and with drowsiness could there be a link to the large prescriptions for sedatives lillian has filled the two work together to answer that question but can arch ever earn lillian s trust and affection sarah sundin brings world war ii to life offering readers an intense experience they won t soon forget

physics by inquiry is a set of laboratory based modules that provide a step by step introduction to physics and the physical sciences through in depth study of simple physical systems and their interactions students gain direct experience with the process of science starting from their own observations students develop basic physical concepts use and interpret different forms of

scientific representations and construct explanatory models with predictive capability all the modules have been explicitly designed to develop scientific reasoning skills and to provide practice in relating scientific concepts representations and models to real world phenomena
