my ex told me no one would ever want to be with a fat broke single mom of three my billionaire boss thinks otherwise after my ex left me high and dry i need to make things work for my kids even if it means getting rejected for jobs over and over again when my friend gets me an interview with her boss for an interior design job i think things are finally

looking up that is until i door ding his tesla and yell at my kids on the phone during the interview for the record running out of peanut butter does not count as an emergency but for some reason he offers me the job as a boss gage griffen is intense driven and demanding but under his layers of armani and grumpy exterior he s also generous kind and treats my kids the way i wish their dad would i need to keep my distance because this job is our fresh start and messing up this opportunity could ruin everything including my heart hello billionaire is a grumpy sunshine rom com featuring a steamy billionaire a plus size single mom three matchmaking children and one hell of a happily ever after

outta sight funk and r b riffs for piano keyboards by andrew d gordon is designed to help piano keyboard players improve their playing technique with a wide range of different funk r b riffs and grooves while living in london during my early 20 s i had the opportunity of developing my funk r b skills by playing or jamming with musicians of mainly african jamaican descent 3 to 4 times a week we would jam for hours on end including doing gigs to the early hours of the morning from this experience it is my feeling that it is important to play and learn from other musicians however if one is unable to do so then incorporating this product into your practicing routine is the next best thing by using this book your funk r b keyboard playing will definitely improve what is funk music funk is an afro american musical style originated by james brown and later sly and the family stone emphasizing the rhythm and putting melody and harmony in the background funk often consists of a complex groove where every instrument is playing a different rhythmic part fitting together like a jigsaw puzzle entire songs are written without any or minimal chord changes where one or two riffs form the basis of the song as represented by the examples in this book one of the most distinctive features of funk music is the role of the bass line as a foundation with melodic bass lines at the centerpiece of a funk tune the left hand parts in this book capture both the rhythmic and melodic essence of funk bass while the right hand parts capture the percussive syncopated rhythms of funk music similar to what a guitarist may play funk music uses the same type of extended chords as in jazz including minor chords with added sevenths ninths and elevenths or dominant seventh ninth eleventh and thirteenth chords each of the 55 examples has been recorded three times 1 the left and right hand parts are played through twice with drums percussion guitars and keyboards at the regular tempo 2 rhythm tracks at the regular tempo of guitar bass drums percussion to practice the keyboard parts along with 3 slowed down track of the left right keyboard parts with the drums so that you can

precisely hear what the keyboard parts are playing for musicians students who would like extended 2 minute play a long tracks for each of the 55 examples adg productions offer downloadable mp3 files or midi files
