the concept of injustice challenges traditional western justice theory thinkers from plato and aristotle through to kant hegel marx and rawls have subordinated the idea of injustice to the idea of justice misled by the word s etymology political theorists have assumed injustice to be the sheer logical opposite of justice heinze summons ancient and early modern texts philosophical and literary with special attention to shakespeare to argue that injustice is not primarily the negation failure or absence of justice it is the constant product of regimes and norms of justice justice is not always the cure for

injustice and is often its cause

this original and ambitious work looks anew at a series of intellectual debates about the meaning of democracy clive barnett engages with key thinkers in various traditions of democratic theory and demonstrates the importance of a geographical imagination in interpreting contemporary political change debates about radical democracy barnett argues have become trapped around a set of oppositions between deliberative and agonistic theories contrasting thinkers who promote the possibility of rational agreement and those who seek to unmask the role of power or violence or difference in shaping human affairs while these debates are often framed in terms of consensus versus contestation barnett unpacks the assumptions about space and time that underlie different understandings of the sources of political conflict and shows how these differences reflect deeper philosophical commitments to theories of creative action or revived ontologies of the political rather than developing ideal theories of democracy or models of proper politics he argues that attention should turn toward the practices of claims making through which political movements express experiences of injustice and make demands for recognition redress and repair by rethinking the spatial grammar of discussions of public space democratic inclusion and globalization barnett develops a conceptual framework for analyzing the crucial roles played by geographical processes in generating and processing contentious politics

this book argues that the secret to the political miracle achieved in south africa is a comprehensive change in the conception of justice as guiding political institutions pursuing justice is a moral imperative that has practical value as a cost efficient way of dealing with conflict this case study in applied ethics and social theory patiently explains how justice in the new south africa restores humanity and establishes lasting peace whereas injustice in apartheid south africa led to conflict and dehumanization

two past presidents of the american public health association have edited this book on the ways in which social injustice causes and contributes to public health problems their previous books war and public health and errorism and public health both dealt with specific issues of social injustice as they relate to public health the current book addresses a broader set of issues in a more comprehensive manner this book defines social injustice as the denial or violation of economic sociocultural political civil or human rights of specific populations or groups in society these groups are socially defined in terms of racial or ethnic status language country of origin socioeconomic status age gender sexual orientation or other perceived group characteristics social injustice manifests in many ways ranging from various forms of overt discrimination to the wide gaps between the haves and the have nots within a country or between richer and

poorer countries it increases the prevalence of risk factors and hazardous exposures which in turn lead to higher rates of disease injury disability and premature death public health professionals as well as students need to have a clear understanding of social injustice in order to address these problems but few books address such a wide range of issues this book will enable readers to understand social injustice and will prepare them to recognize document investigate and prevent social injustice and its effects on health this book is organized so that health professionals students in the health professions and others will find it of practical value in public health and medical care research education policy development and advocacy

fors clavigera 1871 1884 ruskin s serial letters to the workmen of great britain is his most controversial and personal text this selected edition of fors clavigera is the first since the library edition completed its 3 volume text in 1907 it provides an extensive selection of the most challenging writing in fors including several complete letters and sequences the densely allusive text is elucidated with full annotation and features a critical introduction bibliographical notes and suggestions for further reading ruskin s original illustrations essential for the understanding of his argument are reproduced this edition will at last make fors clavigera disturbing and endlessly fascinating available to modern readers
