why do three out of four professional football players go bankrupt how can illiterate jungle dwellers pass a test that tricks harvard philosophers and why do billionaires work so hard only to give their hard earned money away when it comes to making decisions the classic view is that humans are eminently rational but growing evidence suggests instead that our choices are often irrational biased and occasionally even moronic which view is right or is there another possibility in this animated tour of the inner workings of the mind psychologist douglas t kenrick and business professor vladas griskevicius challenge the prevailing views of decision making and present a new alternative grounded in evolutionary science by connecting our modern behaviors to their ancestral roots they reveal that underneath our seemingly foolish tendencies is an exceptionally wise system of decision making from investing money to choosing a job from buying a car to choosing a romantic partner our choices are driven by deep seated evolutionary goals because each of us has multiple evolutionary goals though new research reveals something radical there's more than one you making decisions although it feels as if there is just one single self inside your head your mind actually contains several different subselves each one steering you in a different direction when it takes its turn at the controls the rational animal will transform the way you think about decision making and along the way you'll discover the intimate connections between ovulating strippers wall street financiers testosterone crazed skateboarders steve jobs elvis presley and you

everyone knows about noah moses and paul but what about hagar michal and priscilla all women who had a direct influence in the story of god's people the bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today in the women's study bible respected bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today separate sidebars cover topics such as midwifery women disciples and female images of god the women's study bible doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern

world the new living translation of the bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included book jacket

using her own original writings and some taken from a variety of previously published books and periodicals eigenberg u of tennessee at chattanooga displays woman battering with all of its edges showing the book examines woman battering as a means of social control and as a crime that is routinely ignored by all ranks of society articles cover topics such as what causes battering who is beaten police response to battering and factors in arrests of domestic assaults

providing a historical framework for understanding how women s studies evolved from women s struggles for access to higher education this book illustrates the impact that feminist perspectives have made in the academy using the disciplines as its organizing principle the first edition explores eleven major fields to examine the host of contributions and critiques being made by feminist scholars this book also probes the emergence of women s studies in the late 1960s as an accomplishment of great historical significance and presents a vast array of readings by feminist scholars over the past 30 years for professionals with a career or interest in women s studies sociology psychology history and or education
