the american dream and dreams deferred a dialectical fairy tale shows how rival interpretations of the dream reveal the dialectical tensions therein exploring often neglected voices literatures and histories carlton d floyd and thomas ehrlich reifer highlight moments when the american dream appears both simultaneously possible and out of reach in so doing the authors invite readers to make a new collective dream of a better future on socially just multicultural and ecologically sustainable foundations

branded a cultural chernobyl and the tragic kingdom the euro disney resort has been on its own thrill ride since opening in 1992 the much publicized version of the magic kingdom gave europeans alcohol

free mocktails surly employees even colors too muted for the disney image facing financial disaster was it any wonder that disney execs found themselves wishing upon a star for answers after so many knee jerk criticisms of euro disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of american cultural imperialism andrew lainsbury a former euro disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine europe s love hate relationship with euro disneyland and some of the undiscussed issues surrounding it once upon an american dream is a story of global capitalism on a grand scale lainsbury has plumbed company archives and interviewed key players to give readers the real view from le chateau de la belle au bois dormant sleeping beauty s castle he cracks open the euro disney controversy to reveal the park not as a tragic experiment in exporting american culture but the result of european efforts to import a popular form of american entertainment lainsbury tells how the walt disney company came to build a european park and locate it in france how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from saudi arabia he reveals what it took to win back the hearts of skeptical europeans such as serving wine selling flashy merchandise and placating disgruntled workers finally he looks into the magic mirror to speculate on the role of euro disney and the walt disney company in the twenty first century ultimately lainsbury shows that cultural imperialism is not an exclusively american phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared once upon an american dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what euro disneyland is all about

what do we mean by the american dream can we define it or does any discussion of the phrase end inconclusively the solid turned liquid like ice melting do we know whether the american dream motivates and inspires or alternately obscures and deceives the routledge handbook on the american dream offers distinctive authoritative original essays by well known scholars that address the social economic historical philosophic legal and cultural dimensions of the american dream for the twenty first century the american dream first discussed and defined in print by james truslow adams s the epic of america 1931 has become nearly synonymous with being american adams s definition although known to scholars is often lost in our ubiquitous use of the term when used today the iconic phrase seems to encapsulate every fashion fad trend association or image the user identifies with the united states or american life the american dream s ubiquity though argues eloquently for a deeper understanding of its heritage its implications and its impact to be found in this first research

handbook ever published on the topic
