an overview of low budget film production designed for first time producers

comprehensive guide that covers everything from pre production through wrap and post production and includes chapters on independent and low budget filmmaking television commercials incentives effects and new media cover

ever dreamed of making a film but felt held back by a lack of money or fancy equipment this book shows you how to bring your stories to life no big studio no endless funds just creativity and passion from writing a gripping script to capturing stunning shots with whatever camera you have you ll discover how to build a dedicated team light your scenes beautifully with everyday items and create tension and emotion without expensive effects whether you re filming in your backyard or transforming a friend s apartment into a movie set this book proves that storytelling isn t about the budget it s about the heart you put into every frame if you re ready to stop waiting and start creating this is your moment

offers tips for successfully writing directing producing and distributing a low budget feature it contains practical examples of contracts forms and budgets and real life samples drawn from an actual film produced and distributed internationally by mr randall

dying to make a feature learn from the pros we never put out an actual textbook for the corman school of filmmaking but if we did it would be fast cheap and under control roger corman producer it s like taking a master class in moviemaking all in one book jonathan demme the value of cameos john sayles writing to your resources peter bogdanovich long continuous takes john cassavetes re shoots steven soderbergh rehearsals george romero casting kevin smith skipping film school jon favreau creating an emotional connection richard linklater poverty breeds creativity david lynch kill your darlings ron howard pre production planning john carpenter going low tech robert rodriguez sound thinking and more learn the tricks and pitfalls of low budget filmmaking from 33 successful independent films and the filmmakers who created them includes never before published interviews with low budget mavericks such as steven soderbergh roger corman jon favreau henry jaglom and many more learn the lessons from such classics as clerks night of the living dead swingers open water el mariachi slacker sex lies and videotape the blair witch project eraserhead monty python the holy grail dark star return of the secaucus seven the little shop of horrors caged heat and targets are you dying to make a movie this is the one book that can help you make it a reality grab it now praise for the fast cheap and under control this terrific little book explains how to make every penny count

on the often arduous journey from script to screen john carpenter director halloween starman escape from new york a helpful and funny guide for beginners and professionals alike jonathan demme director silence of the lambs this book is as good as film school and a lot less expensive it s required reading in tromaville lloyd kaufman president troma entertainment creator toxic avenger i wish i d read this book before i made re animator stuart gordon director re animator this simple and sensible book injects reality into the process and helps any filmmaker prevent their film from becoming a money pit lessons like those in this book are cheap at ten times the price john badham director saturday night fever dracula blue thunder for everyone who wants to make art without breaking the bank john gaspard s book is worth every penny derek pell editor dingbat magazine a richly detailed highly readable and inspiring book jam packed with information that will keep low budget filmmakers from making costly mistakes filled with a ton full not a spoonful of fascinating insightful interviews with a you can do it approach dr linda seger consultant on over 2 000 screenplays best selling author of making a good script great and 7 other books

back cover principles practice and techniques the ultimate guide for the aspiring filmmaker this inspirational book offers a complete introductory course in filmmaking skills and techniques from writing producing and directing to marketing and publicizing your finished work based on simple techniques and relying on readily available low budget equipment and software you will be able to get started immediately includes a guide to working on films across all genres and budgets with detailed advice on how to transform your passion for film into a career elliot grove founded raundance film festival in 1993 the british independent film awards in 1998 and raundance tv in 2007 he has produced over 150 short films and five feature films he has written eight scripts one of which is currently in pre production his first feature film table 5 was shot in 35mm and completed for a total of 500 elliot teaches writers and producers in the u s the u k europe and japan he has written two previous books on filmmaking

if you re looking for clear cut information on how to make a film on a minimal budget that is based on tried and tested techniques look no further elliot grove has worked on hundreds of low budget productions teaches lo to no budget filmmaking courses and runs the raundance film festival the largest independent film festival in europe his wealth of teaching and filmmaking experience combined with knowledge of the winning formulas that work is the basis of this book refreshingly clear no nonsense tricks of the trade the free cd provides all the contracts and material you need to run a production company and make successful low budget movies how to schedule budget and break down a script and how to get it shot with what you have not what you want this is a must have read for filmmakers serious about making and selling films creative and technical expertise coupled with a behind the scenes look at the film industry makes this book an excellent starting point for beginners for experienced filmmakers there are plenty of practical approaches in here for you to try from developing cv s showreels and business plans to information on pitching raising finance creating publicity and much much more use it as a point of departure or as an everyday reference tool the accompanying cd rom contains sample budgets publicity plans trailers and interviews

written for producers production managers directors and everyone else involved in low budget filmmaking and videomaking before you

shoot covers the initial planning of a project through its pre production and post production finding money script breakdown budgeting crew and equipment shooting editing and distribution

most books about film production assume that you have an idea and a script to shoot most screenwriting books are geared to how to write a script that you can sell to hollywood as though the authors of these books had the slightest clue and do not take into consideration that you might be shooting the script yourself possibly with your own money this book is about how to write a script properly that you can rationally shoot how to shoot it how to finish it how to sell it and also how to get it shown

presents interviews with 10 micro budget film makers
