quentin tarantino s long awaited first work of fiction at once hilarious delicious and brutal is the always surprising sometimes shocking new novel based on his academy award winning film rick dalton once he had his own tv series but now rick s a washed up villain of the week drowning his sorrows in whiskey sours will a phone call from rome save his fate or seal it cliff booth rick s stunt double and the most infamous man on any movie set because he s the only one there who might have gotten away with murder sharon tate she left texas to chase a movie star dream and found it sharon s salad days are now spent on cielo drive high in the hollywood hills charles manson the ex con s got a bunch of zonked out hippies thinking he s their spiritual leader but he d trade it all to be a rock n roll star hollywood 1969 you shoulda been there

john truby is one of the most respected and sought after story consultants in the film industry and his students have gone on to pen some of hollywood s most successful films including sleepless in seattle scream and shrek the anatomy of story is his long awaited first book and it shares all of his secrets for writing a compelling script based on the lessons in his award winning class great screenwriting the anatomy of story draws on a broad range of philosophy and mythology offering fresh techniques and insightful anecdotes alongside truby s own unique approach for how to build an effective multifaceted narrative truby s method for constructing a story is at once insightful and practical focusing on the hero s moral and emotional growth as a result writers will dig deep within and explore their own values and worldviews in order to create an effective story writers will come away with an extremely precise set of tools to work with specific useful techniques to make the audience care about their characters and that make their

characters grow in meaningful ways they will construct a surprising plot that is unique to their particular concept and they will learn how to express a moral vision that can genuinely move an audience the foundations of story that Truby lays out are so fundamental they are applicable and essential to all writers from novelists and short story writers to journalists memoirists and writers of narrative non fiction

when ozzie nelson died in 1975 he was no longer a household name for a guy who had created the longest running tv sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it's baffling that nelson has faded so far from american media memory larger than life offscreen an attorney college football star cartoonist songwriter major band leader ozzie created a smaller than life tv persona the bumbling average dad who became known to the rock generation which included his teen idol son rick nelson as the essence of blandness but america also saw ozzie as their iconic dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best this book is the only full length biography of ozzie nelson since he published his memoirs in 1973 it treats the big band and early tv icon with affection and hints that american pop culture may owe more to ozzie than is generally acknowledged

the art of writing great science fiction is that it challenges the imagination pushing it to extreme limits and in this anthology selecting some of the best modern science fiction from the last fifty years twenty leading authors of the genre ask the question what if and then give their own very personal views of the changes and surprises which may befall humanity in the centuries to come in ulla ulla eric brown recounts the first manned martian expedition and discovers that h g wells may have been right after all in the infinite assassin greg egan polices the dimensions seeking those who are taking over their alternate selves geoffrey a landis takes us into the depths of a black hole in approaching perimelasma is the ultimate utopia heaven or

hell robert sheckley finds out in the classic a ticket to trai these and other stories by james white eric frank russell robert reed h beam piper and h chandler elliot make this one of the most entertaining and thought provoking science fiction anthologies in lightyears

the papers in this volume were delivered at the symposium on literature in asia and the pacific region perceiving other worlds held in singapore in november 1989 writers critics and scholars from southeast asia south asia australia new zealand the pacific islands north america and britain addressed some of the major contemporary literary issues including the other and i the formation of identity in two or more cultures the loss and recovery of tradition the re creation of meaning and the re writing of literary paradigms and history a central impetus is the concern with the importance and fullness of i when it is the other this is linked to challenges posed by the rich varieties of other worlds
