an accessible practical guide for the father to be about pregnancy the birth and what to expect during the first 6 weeks from a man who has been through it all multiple times for every man who has heard those two magic words i m pregnant and immediately thought of two of his own written in a light informative tone but backed with expert advice

from male midwives and obstetricians the book in this genre the guardian very supportive and encouraging reader review really helpful hints tips and guidance reader review was much less nervous after reading this reader review funny honest and witty reader review from buying buggies and cutting the cord to dealing with your wife s breastfeeding in public the life of a first time father will throw up new experiences every day the expectant dad s survival guide tells you everything you need to know during your partner s pregnancy and the first few weeks of your new life as a dad combining expert advice from midwives psychologists and obstetricians with first hand accounts it explains what s happening with her what s going on with your baby and what the hell you should be doing every step of the way with tips from those who know what to do explanations and fascinating facts this survival guide will ensure you re armed and ready for your role as a new father from discovery to delivery and beyond a must read for all fathers to be

most people think of childbirth as involving only the mother and child the expectant father is necessary but invisible yet he does have his problems during the pregnancy and he needs help from nurses just as much as his wife this advice for expectant fathers book is made for expectant fathers it is also a chance for mothers to see their pregnancy from the other side the side that is afraid to sleep lest they wake up in a tear soaked bed covered in cookie crumbs it is raw and real it even contains some useful information whether you are expecting a child know someone who is expecting a child or just like to read funny stories about the horror er beauty and majesty that is pregnancy then this advice for expectant fathers book is for you

these essential guides give parents practical information they need to guide them from pregnancy through baby s toddler years

an expectant dad s guide to pregnancy most expectant fathers seem to have no idea how they fit into the role of the pregnant wife s spouse they re not sure what is exactly expected of them now what you are probably sure of is that your wife is getting a lot of attention and even though she deserves it what about you well don t start feeling sorry for yourself there are so many ways in which you can help and so many ways in which you can get involved in your wife s pregnancy and help her out every step of the way as an expectant father you must realize that as time goes on things are getting more and more difficult for your wife and you must start thinking about ways in which you can help her you

will have to start preparing for the arrival of your baby if the baby is to have its own room then you must start to think about fixing up the nursery pregnant women can't stand paint fumes so any painting that has to be done will be up to you also you must consider if any addition needs to be added to your home as the baby will need lots of things such as a crib bassinet changing table nursing rocker stroller and so on take a look at how you can make your wife comfortable she is going to have difficulty getting to sleep at night and will have to make frequent bathroom trips make sure she has enough room in bed to move about keep a nightlight on so she can easily make her way about without having to turn on the bright lights do everything that you can to make it easy for her if you are a smoker now is the time to quite because second hand smoke is a disaster for pregnant women and certainly not good for babies

unlock the adventure of fatherhood prepare to embark on an unforgettable journey into the world of pregnancy and fatherhood like never before dad's pregnancy guide book is your trusted companion your map through the exhilarating experience of becoming a dad navigate pregnancy with confidence from understanding the wonders of pregnancy to actively supporting your partner this step by step guide offers essential insights and heartfelt advice building strong foundations learn how to create a loving and nurturing environment for your growing family one where your child can flourish and your bonds as a family can deepen a lifelong resource this isn't just a book it's a lifelong resource for dads continuously grow as a parent and relish every moment of this incredible adventure elevate your role as a father elevate your role as a father with wisdom compassion and love dad's pregnancy guide book is your key to embracing fatherhood with open arms join the community of dads you're not alone on this journey connect with a community of fellow fathers and create memories that will last a lifetime discover the joy challenges and boundless love that await you in dad's pregnancy guide book it's more than a guide it's your passport to a lifetime of adventure as an extraordinary dad order your copy today and begin the adventure

can't wait to meet your little one but also panicking because you don't know what to do wish you could be more helpful and supportive to your pregnant partner but you have no idea what's going on with her if you are like most expectant fathers you are both excited and anxious about this big step in the lives of you and your partner you can help your partner by understanding the changes she is going through and by being a prepared and supportive father to be this

book explains why the father's role is important to a healthy pregnancy the physical and emotional changes your partner will experience during pregnancy sex during and after pregnancy what happens during prenatal care visits how to help during labor and delivery what fathers can do after the baby is born planning for the future common myths for pregnancy baby names how do you know what one is the right one deal with your parenting anxieties how to handle essential baby care strengthening the paternal bond and more a father can play an important role in his partner's pregnancy your job as a father begins long before research has shown that women with supportive partners have fewer health problems in pregnancy and more positive feelings about their changing bodies this book is going to show you how to navigate the confusing and often overwhelming world of fatherhood in the most effective manner possible by following the advice in this book you will be fully prepared to navigate every stage of pregnancy and babyhood with your partner and your new baby the pregnancy guide for men is designed to give you the easiest most accurate and complete information that you need for stepping into parenthood as a dad to be you've got a lot on your plate from balancing work and life to prioritizing your relationship with your partner the demands of fatherhood are already starting to develop and you'll be ready and able to take them on don't spend time guessing and worrying over matters like finances self care and social support it's never been easier to learn all you'll need to know about parenting take it from someone who's been in your shoes and knows what you're going through nobody is born with the ability to raise a child being a wonderful father does not imply being flawless but rather confidently embracing and engaging in the pregnancy process it can be a confusing and overwhelming experience
