cowboys are an american legend but despite ubiquity in history and popular culture misperceptions abound technically a cowboy worked with cattle as a ranch hand while his boss the cattlemen owned the ranch jacqueline m moore casts aside romantic and one dimensional images of cowboys by analyzing the class gender and labor histories of ranching in texas during the second half of the nineteenth century as working class men cowboys showed their masculinity through their skills at work as well as public displays in town but what cowboys thought was manly behavior did not always match those ideas of the business minded cattlemen who largely absorbed middle class masculine ideals of restraint real men by these standards had self mastery over their impulses and didn t fight drink gamble or consort

with unsavory women moore explores how in contrast to the mythic image from the late 1870s on as the texas frontier became more settled and the open range disappeared the real cowboys faced increasing demands from the people around them to rein in the very traits that americans considered the most masculine published in cooperation with the william p clements center for southwest studies southern methodist university

a firearms reference that includes ballistics charts hundreds of photographs prices and specifications for thousands of guns and pieces of equipment

twenty five previously published magazine articles from the backroad bob s motorcycle adventures dual sporting pennsylvania and dual sporting beyond pennsylvania cds begin with five stories compiled after fifteen years and tens of thousands of miles riding through pennsylvania s state forests the remaining twenty articles are a compilation of stories from national dual sport events

whether headed to the rugged backcountry a day of scenic driving or a summer vacation the highroad guides lead you to the best the mountains have to offer includes a minimum of 55 new maps natural history information and other general traveler s information written by award winning nature journalist garvey winegar and acclaimed outdoor writer nature photographer deane dozier winegar
