as with the other books in his for cello series rick mooney has made the learning of a specific technique easier and more enjoyable than ever before book 2 continues where book 1 left off and includes classical music folk tunes and original pieces by rick mooney such as around the gypsy campfire harry the hirsute housefly petite partita and much more as in book 1 all of the pieces have been arranged as duets with a second cello part for the teacher or other students in a group class to play

this book from rick mooney features easy classical music as well as folk songs fiddle tunes and mooney originals composed to address specific technical points a second cello part throughout promotes a student's ability to hear and play accurately

as with the other books in his for cello series rick mooney has made the learning of a specific technique easier and more enjoyable than ever before book 2 continues where book 1 left off and includes classical music folk tunes and original pieces by rick mooney such as around the gypsy campfire harry the hirsute housefly petite partita and much more as in book 1 all of the pieces have been arranged as duets with a second cello part for the teacher or other students in a group class to play

double stops provide excellent learning material for the young and advancing cellist in this rick mooney book more than 60 familiar folk songs many in the suzuki repertoire help the student learn skills such as hearing intonation shaping the hand correctly shifting extensions and preparing for future repertoire

this book deals with fifth sixth and seventh positions on the cello it is assumed that the student is already familiar with first through fourth positions mooney's method systematically introduces ways to find the correct location of each position and also to understand the various finger patterns required students play the top line of the duets accompanied by teacher playing the bottom line

position pieces for cello is designed to give students a logical and fun way to learn their way around the fingerboard each hand position is introduced with exercises called target practice geography quiz and names and numbers following these exercises are tuneful cello duets which have been specifically composed to require students to play in that hand position in this way students gain a thorough knowledge of how to find the hand positions and once there which notes are possible to play using these pieces with names like i was a teenage monster the irish tenor and i've got the blues baby position study on the cello has never been so much fun
