updated throughout and with much new material a history of american literature second edition is the most up to date and comprehensive survey available of the myriad forms of american literature from pre columbian times to the present the most comprehensive and up to date history of american literature available today covers fiction poetry drama and non fiction as well as other forms of literature including folktale spirituals the detective story the thriller and science fiction explores the plural character of american literature including the contributions made by african american native american hispanic and asian american writers considers how our understanding of american literature has changed over the past thirty years situates american literature in the contexts of american history politics and society offers an invaluable introduction to american literature for students at all levels academic and general readers

this volume describes the greatest achievements in american literature from the earliest times to the present special attention has been paid to the individual works of great authors but also to literary movements ideals and animating principles and the relation of all these to english literature the author hopes this book will inspire students to investigate for themselves the remarkable american record of spirituality initiative and democratic accomplishment contained in our national literature

asian american literature is one of the most recent forms of ethnic literature and is already becoming one of the most prominent given the large number of writers the growing ethnic population from the region the general receptivity of this body of work and the quality of the authors in recent decades there has been an exponential growth in their output and much asian american literature has now achieved new levels of popular success and critical acclaim nurtured by rich and long literary traditions from the vast continent of asia this literature is poised between the ancient and the modern between the east and west and between the oral and the written the historical dictionary of asian american literature and theater covers the activities in this burgeoning field first its history is traced year by year from 1887 to the present in a chronology and the introduction provides a good overview the most important section is the dictionary with over 600 substantial and cross referenced entries on authors books and genres as well as more general ones describing the historical background cultural features techniques and major theatres and clubs more reading can be found through an extensive bibliography with general works and those on specific authors the book is thus a good place to get started or to expanded one s horizons about a branch of american literature that can only grow in importance

john neal and nineteenth century american literature and culture critically reassesses the significance of american novelist editor critic and activist john neal to the transatlantic literary culture of the nineteenth century long appreciated primarily as a powerful advocate of literary nationalism in the united states neal is presented in this volume as an innovative literary stylist a penetrating cultural critic a pioneering regionalist and a vital participant in the business of letters in america over a sixty year career the volume s contributors including scholars from

the united states germany england italy and israel employ a wide range of critical methodologies legal studies psychoanalysis cultural studies etc to survey neal s career from his early novel writing in the 1820s to his culminating autobiography published in 1869 special attention is paid to his work as an editor journalist critic and publisher in a variety of journals throughout this discussion neal emerges as a vastly underappreciated artist and a figure of considerable importance to the ongoing reassessment of the american renaissance and the broader cultural history of the nineteenth century the editors introduction and the volume as a whole offers an overview of the present vitality of the new neal scholarship while also suggesting a number of areas for future research and inquiry

this book discusses how literary writers re envisioned species survival and racial uplift through ecological and biogeographical concepts of dispersal it will appeal to readers interested in nineteenth century american literature and literature and the environment

the most trusted anthology for complete works balanced selections and helpful editorial apparatus the norton anthology of american literature features a cover to cover revision the ninth edition introduces new general editor robert levine and three new generation editors who have reenergized the volume across the centuries fresh scholarship new authors with an emphasis on contemporary writers new topical clusters and a new ebook make the norton anthology an even better teaching tool and an unmatched value for students

excerpt from a history of american literature this book attempts to trace within reasonable compass the course of literary development in america and to present the most significant facts regarding american authors and their works it places greatest emphasis on general movements because american literature is first of all important as an expression of national life there are few american writings that require careful analysis and merit intensive study as masterpieces but in a nation where education has from the first been so generally diffused literary attempts of slight artistic merit may reflect not only the obvious changes in national life and ideals but subtler tendencies and aspirations for this reason attention is given not only to the few greater writers but to many others whose works though less important in themselves are sometimes even more sig

nificant the plan of the book and the decision what to include and what to exclude have been influenced by the author's experiences with college classes but an attempt has been made to meet the wants of the general reader as well as those of the systematic student in tracing tendencies and movements it has been necessary to adopt a geographical classification of authors and this has sometimes been carried beyond the point where it is significant it is a matter of the greatest importance whether an author represents the spirit of puritan new england or the spirit of cavalier virginia it is of little importance whether he chances to write in new hampshire or in vermont for convenience however smaller as well as larger groupings have been made on the basis of residence in adopting this plan the author wishes to disclaim any intention of over emphasizing sectional differences about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

a look at the first five decades of 20th century american literature covering a wide range of literary works figures and influences a history of american literature 1900 1950 is a current and well balanced account of the main literary figures connections and ideas that characterized the first half of the twentieth century in this readable highly informative book the author explores significant developments in american drama fiction and poetry and discusses how the literature of the period influenced and was influenced by cultural trends in both the united states and abroad considering works produced during america's rise to prominence on the world stage from both regional and international perspectives macgowan provides readers with keen insights into the literature of the period in relation to america's transition from an agrarian nation to an industrial power the racial and economic discrimination of black and native american populations the greater financial and social independence of women the economic boom of the 1920s the depression of the 1930s the impact of world wars massive immigration political and ideological clashes and

more encompassing five decades of literary and cultural diversity in one volume a history of american literature 1900 1950 covers american theater poetry fiction non fiction memoirs magazines and literary publications and popular media discusses the ways writers dramatized the immense social economic cultural and political changes in america throughout the first half of the twentieth century explores themes and influences of modernist poets expatriate novelists and literary publications founded by women and african americans features the work of black writers native americans asian americans and jewish americans a history of american literature 1900 1950 is essential reading for all students in upper level american literature courses as well as general readers looking to better understand the literary tradition of the united states

examines the impact of the machines on american literature especially on the works of anderson frank dos passos lewis and sandburg

the american dream has never been defined exactly and probably never can be it is both too various and too vague many men have meant many different things by it i shall therefore follow popular practice and use the phrase inclusively but american literature has been defined more exactly and has been outlined in courses and embodied in anthologies most men agree that it is something very different from english literature and many have sought to describe the difference this book began as a series of essays in interpretation of the major american authors but in the process of writing an idea crystallized american literature has differed from english because of the constant and omnipresent influence of the american dream upon it but this influence has usually been indirect and unconscious because the dream has remained vague and undefined but the vague idea has influenced the plotting of our fiction and the imagining of our poetry almost by inadvertence our literature has accomplished a symbolic and experimental projection of it the american dream and the patterns of thinking and feeling which it has inspired has given form and significance to american literature

masterpieces of american literature is an anthology of some of the most important works of american literature compiled by the writer and editor john kneeland featuring the writings of literary luminaries such as benjamin franklin washington irving and nathaniel hawthorne this book is a

treasure trove of classic american fiction and non fiction an essential addition to any library of american literature this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
