this contributed volume is an exciting product of the 22nd mavi conference which presents cutting edge research on affective issues in teaching and learning math the teaching and learning of mathematics is highly dependent on students and teachers values attitudes feelings beliefs and motivations towards mathematics and mathematics education these peer reviewed contributions provide critical insights through their theoretically and methodologically diverse analyses of relevant issues related to affective factors in teaching and learning math and offer new tools and strategies by which to evaluate affective factors in students and teachers mathematical activities in the classroom among the topics discussed the relationship between proxies for learning and mathematically related beliefs teaching for entrepreneurial and mathematical competences prospective teachers conceptions of the concepts mean median and mode prospective teachers approach to reasoning and proof the impact of assessment on students experiences of mathematics through its thematic connections to teacher education professional development assessment entrepreneurial competences and reasoning and proof students and teachers values attitudes feelings and beliefs in mathematics classrooms proves to be a valuable resource for educators practitioners and students for applications at primary secondary and university levels

most observers believe that gospel music has been sung in african american churches since their organization in the late 1800s yet nothing could be further from the truth as michael w harris s history of gospel blues reveals tracing the rise of gospel blues as seen through the career of its founding figure thomas andrew dorsey harris tells the story of the most prominent person in the advent of gospel blues also known as georgia tom dorsey had considerable success in the 1920s as a pianist composer and arranger for prominent blues singers including ma rainey in the 1930s he became involved in chicago s african american old line protestant churches where his background in the blues greatly influenced his composing and singing following much controversy during the 1930s and the eventual overwhelming response that dorsey s new form of music received the gospel blues became a major force in african american churches and religion his more than 400 gospel songs and recent grammy award indicate that he is still today the most prolific composer publisher in the movement delving into the life of the central figure of gospel blues harris illuminates not only the evolution of this popular musical form but also the thought and social forces that forged the culture in which this music was shaped

after world war ii the united states assumed responsibilities for the northern mariana islands the caroline islands and the marshall islands under a 1947 trusteeship agreement with the united nations the united states had the obligation to prepare these micronesians for self government or independence after termination of the trusteeship

but the interior state and defense departments paid little attention to this question until 1961 willens and siemer examine the kennedy administration s formation of a new micronesian policy aimed at bringing these islanders under u s sovereignty by 1968 the inability of the federal agencies to achieve this objective and their refusal to acknowledge that the northern marianas people had very different economic and political aspirations than the other micronesians by 1969 the micronesian leaders except for those of the northern marianas were increasingly attracted to a future political status that rejected united states citizenship and had most of the attributes of a sovereign nation state willens and siemer analyze the initial negotiations between united states and micronesian representatives the inability of the united states to respond positively to the demands of the micronesian negotiators and the national defense and strategic objectives at issue by april 1972 the united states recognized that its non fragmentation policy conflicted with the right of self determination of the northern marianas people and agreed to separate status negotiations with them a detailed review of recent micronesian history that will be of considerable value to u s government officials involved with insular affairs and foreign policy and scholars and researchers of micronesian pacific islands and marianas affairs
