the romans an introduction is a concise readable and comprehensive survey of the roman world which explores 1 200 years of political military and cultural history alongside religion social pressures literature art and architecture this new edition includes updated and revised materials designed to develop analytical skills in literary and material evidence evoking themes that resonate in both ancient and modern societies fake news class struggles urbanization concepts of race and gender imperialism constitutional power and religious intolerance the fourth edition incorporates a number of new features and evolving fields a new chapter on provinces provincial administration and acculturation in the roman empire an extended chapter on christianity and rome s legacy with new case studies in the reception of roman culture an extended chapter on roman society and daily life including recent scholarship on gender and race in the ancient world integrated use of text and material evidence which is designed to develop analytical skills in critical source assessment the book s successful open access website updated to include new case studies on emerging topics such as performance politics religious syncretism media sensationalism and cultural heritage thoroughly updated and redeveloped this new edition of the romans will continue to serve as the definitive introduction to the life history and culture of the roman world from its foundation to its

significance to later civilizations

romans loved their gardens whether they were the grand gardens of imperial country estates or the small private spaces tucked behind city houses they treasured gardens both as places for relaxation and as plots to grow ornamental plants as well as fruits and vegetables the soothing sound of bubbling fountains often added further to the pleasures of life in the garden romans constructed gardens in every corner of their empire from britain to north africa and from portugal to asia minor long after their empire collapsed the gardens they had so carefully planted continued to exert influence in the farflung corners of their former world this book describes the variety of roman gardens throughout the empire from the humblest to the most lavish including such well known places as hadrian s villa in tivoli and the gardens of pompeii and herculaneum the continued influence of roman gardens is traced though arabic medieval and renaissance gardens to the present day many of the lavish illustrations were commissioned for this book

this volume brings the research spaces of intertextuality and empire criticism in new testament studies into conversation using postcolonial intertextuality to argue that romans presents a double voiced political theology of peace

a history of the roman world from a d 138 to 337 1958 looks at the last centuries of the roman empire from the rule of hadrian and his policy of consolidation of the roman empire halting its further expansion to the reign of constantine and the rise of christianity
