my first second third fourth and fifth books of social studies a complete set of 5 books the books are well informative and entirely based on ncert cbse syllabus

designed for use in elementary and secondary social studies education courses this book supports the teaching of social studies methods in a range of educational settings by highlighting long standing content and principles of social studies education in a concise and direct way this volume offers the building blocks of a comprehensive course for use as springboards to the effective presentation of professors desired course emphases with sections on foundations subject areas and best practices this text explains the intersection between the modelling role of social studies teachers as democratic citizens social studies fields of study and strategies implemented in the classroom to encourage students critical thinking and values formation

plan and deliver a curriculum to help your students connect with the humanity of others in the wake of 2020 we need today's young learners to be prepared to develop solutions to a host of entrenched and complex issues including systemic racism massive environmental problems deep political divisions and future pandemics that will severely test the effectiveness and equity of our health policies what better place to start that preparation than with a social studies curriculum that enables elementary students to envision and build a better world in this engaging guide two experienced social studies educators unpack the oppressions that so often characterize the elementary curriculum normalization idealization heroification and dramatization and show how common pitfalls can be replaced with creative solutions whether you're a classroom teacher methods student or curriculum coordinator this is a book that can transform your understanding of the social studies disciplines and their power to disrupt the narratives that maintain current inequities

discusses educational goals and the nature of history and social studies along with offering practical ideas for organizing curricula lessons projects and activities

this book showcases positive stories of how social studies can play a central role in elementary classrooms integrating knowledge and skills throughout the school day it features seven case studies of exemplary teachers and offers advice for educators to empower them to prioritize social studies in the curriculum

library and information studies for arctic social sciences and humanities serves as a key interdisciplinary title that links the social sciences and humanities with current issues trends and projects in library archival and information sciences within shared arctic frameworks and geographies including contributions from professionals and academics

working across and on the arctic the book presents recent research theoretical inquiry and applied professional endeavours at academic and public libraries as well as archives museums government institutions and other organisations focusing on efforts that further arctic knowledge and research papers present local regional and institutional case studies to conceptually and empirically describe real life research in which the authors are engaged topics covered include the complexities of developing and managing multilingual resources working in geographically isolated areas curating combinations of local regional national and international content collections and understanding historical and contemporary colonial industrial influences in indigenous knowledge library and information studies for arctic social sciences and humanities will be essential reading for academics researchers and students working the fields of library archival and information or data science as well as those working in the humanities and social sciences more generally it should also be of great interest to librarians archivists curators and information or data professionals around the globe

contemporary social studies an essential reader explores the complex and diverse field of social studies addressing contemporary issues and encouraging critical thinking written by prominent scholars this collection provokes readers to reconsider the current state of social studies and its critical topics

goyal brothers prakashan

social studies education plays a critical role in developing young people as active and engaged citizens in uncertain complex times this edited collection presents the latest research ideas and practice in the social studies learning area in aotearoa new zealand the writers challenge educators and policy makers to think deeply about the purpose

of social studies and its transformative potential for citizenship education they offer a direct challenge to the idea that social studies education is about preparing students to fit easily and uncritically into existing society and suggest as alternative that social studies can support learners to critically navigate and take action in society during their time at school and in their futures chapters delve into the tikanga iwi learning area issues based social inquiry social justice viewpoints and perspective engaging emotions multiliteracies and using assessment to enhance learning within social studies questions about the nature of knowledge and how students learn to be critical and active citizens are themes throughout with reflective questions provided to provoke discussion this book is essential reading for teachers working with the core social studies learning area for years 1 10 as well as the optional subject and related social science subjects from years 11 13 it will also be of interest to policy makers government and resource developers

contemporary social studies an essential reader explores the complex and diverse field of social studies addressing contemporary issues and encouraging critical thinking written by prominent scholars this collection provokes readers to reconsider the current state of social studies and its critical topics

social studies a how to skills resource integrates skills and content which maximizes precious classroom time without interfering with your core curriculum it utilizes social studies content to teach valuable cross curriculum skills in a step by step format

a guide to planning teaching and assessing social studies for levels 1 4 cover
