eighteen years ago a first god body appeared in the xu family it had ten divine veins but the news of it had been leaked out and ten divine veins had been destroyed from then on even though he had the qualifications of a god body he could no longer cultivate he had never been known to shake the mountains and rivers he had never been able to cover the sky with his hands but he had guided the world he had never possessed endless abilities but he had been respected by the world as a teacher he was destined to not live past twenty even though he was young and extraordinary

sometimes only by being hurt to the point of heartache can he has the courage and determination to return sometimes extraordinary power brings people not glory and respect but fear and jealousy of others ye ya s outstanding powerful ability caused the jealousy of his leader he was secretly killed by him with great shock and grief he vowed secretly that if he could relive his life he would never let those with ulterior motives hurt him he died but was born again unfortunately in this life he only had low level martial arts and could only obey the orders and arrangements of others he was assigned to be a low ranking patriarch what he could do was accepting but with the memory of the previous life how can he be willing to be an ordinary person he wants to resist in trouble and cultivate the martial arts so that to be the strongest those who have bullied him and framed him will pay a painful price about the author bu zui an excellent online novelist has rich imagination and creativity his novels have rich twists and turns fascinating smooth writing and humorous language

some 5000 years ago civilized societies emerged in the valleys of four great rivers the Nile the Euphrates the Yellow and the Indus of these primary old world civilizations that of the Indus remains the least known and the most enigmatic though paradoxically it has left perhaps the most lasting influence on the societies that followed it in this lucid account abundantly illustrated with maps and photographs including sixteen pages in full color archaeologist Jane McIntosh addresses what we know about the rise and fall of the civilization of the Indus and Saraswati valleys what it might be reasonable to speculate and what we still hope to learn while drawing on archaeological and linguistic evidence to create a portrait of the civilization from the inside McIntosh also carefully pieces together a wider picture of the Indus civilization using evidence from its trading partners in Mesopotamia the Persian Gulf the Indian subcontinent and Southwest Asia the result is an outstandingly vivid recreation of one of the world's great but all but lost ancient civilizations
