revised and updated guide for prospective teachers with increased detail about the realities of teaching in a changing demographic society post pandemic life societal changes brought about by technology and the current political moment in education real challenges real choices and very real consequences that's what today's classrooms are about that's why marleen pugach's because teaching matters third edition depicts today's classrooms as they truly are while highlighting the enormous impact teachers have on students' lives the book is organized around five professional commitments learning from multiple sources of knowledge using the curriculum responsibly practicing equity minded teaching meeting the needs of individual students in the context of the classroom and school community and contributing actively to the profession the third edition focuses on the current landscape and challenges of supporting multi racial multi ethnic multi lingual and multi ability classrooms across socio economic levels and the relationships among students families communities and educators the latest academic approaches for teaching students who have disabilities leveraging modern classroom technology the role of legislation and funding and updates on the current context of teaching and teacher preparation new post pandemic societal and educational contexts classroom and school reflections on practice written by current teachers and teacher leaders in real classrooms and real schools showing authentic best practices in action ideal for foundations of education and introduction to teaching courses designed to provide preservice teachers with an overview of the profession because teaching matters third edition tells the story of today's complex classrooms it also drives home that though the decision to teach is a serious one it is one that can be extremely rewarding

the racial gap in academic performance between whites and asians on the one hand and latinos and blacks on the other hand is america's most urgent educational problem it is also the central civil rights issue of our time say abigail and stephan thernstrom unequal skills and knowledge are the main sources of ongoing racial inequality and racial inequality is america's great unfinished business a wide and tragic gap in learning is evident in affluent suburbs as well as inner cities but great schools are scattered across the country as described in inspiring detail by the thernstroms these schools are putting even the most highly disadvantaged children on the american ladder of economic opportunity there are no good excuses for the perpetuation of long standing inequalities the

thernstroms argue eloquently the problem can be solved but conventional strategies will not work fundamental educational reform is needed carefully researched accessibly written and powerfully persuasive this book offers both a close analysis of the current landscape and a blueprint for essential and overdue change
