if you want to play the game you ve got to know the rules in his international bestseller the game neil strauss delved into the secret world of pick up artists men who

have created a science out of the art of seduction not only did he reveal the techniques that they had developed but he became a master of the game and the world's number 1 pickup artist. Now in his first follow-up to the game comes an extraordinary package: a lavishly produced two-volume pocket-size set that every pickup artist accomplished or aspiring will need to have. The first book, *The Stylelife Challenge*, is the manual Strauss thought he'd never write: the ultimate guide to landing the woman of your dreams. Bound in white leatherette, it offers an in-depth 30-day program. Strauss challenges readers to confront their insecurities and overcome them through a process of rigorous self-examination, briefings, and field missions. In the second book, Strauss takes readers into the dark side of the game. Bound in black leatherette, *The Style Diaries* offers a series of tales of seduction and sexual misadventure: from accidentally getting married during a drunken night in Reykjavik to luring a famous musician's granddaughter into a threesome, from conducting a keenly felt and tender relationship over email to the stress and frustration of the torturous and highly unorthodox 30-day sex experiment. *The Style Diaries* takes you further into the seduction underworld than ever before and delves where the game never dared to tread into the even more complicated rules of relationships.

The notorious international bestseller in the game, *New York Times* and *Rolling Stone* journalist Neil Strauss reveals the bizarre world of the pickup artist. PUA men who devote their lives to mastering the techniques of seducing women. Neil Strauss spent two years travelling in what is known as the seduction community, a secret society of men committed to becoming PUA. He entered a world of bizarre and compelling characters, night after night, approaching countless new targets until he had developed the ability to connect almost immediately with any woman who crossed his path. Within a matter of months, Neil Strauss, once a self-described average frustrated chump, had transformed himself into *Style*, the king of the PUAs. Hysterical and harrowing by turns, filled with cameos from Britney Spears, Paris Hilton, Tom Cruise, Courtney Love, Heidi Fleiss, and others, *The Game* is the story of what happens when one man harnesses the power to seduce the most desirable women in the world, only to fall head over heels for a woman who can beat him at his own game.
