when god told moses to build the tabernacle in the wilderness according to the pattern which he showed him in the mount he said speak unto the children of israel and let them make me a sanctuary that i may dwell among them exodus 25 2 25 8 when the inspired apostle explained the spiritual significance of this god s dwelling place among his people israel he said to the hebrew christians we have such an high priest who is set on the right hand of the throne of the majesty in the heavens a minister of the sanctuary and of the true tabernacle which the lord pitched and not man hebrews 8 1 2 these words from the new testament not only give us the holy spirit s commentary on the meaning of the tabernacle in the wilderness but they are the key that unlocks a vast treasure of spiritual truth regarding the earthly sanctuary which moses built in order that god might dwell among his people if we would understand the new testament teaching concerning this jewish tabernacle which was a shadow of good things to come hebrews 10 1 we should compare the exodus record with

the epistle to the hebrews especially chapters eight and nine which deal with the tabernacle in particular though primarily with the ministry of christ our great high priest in the true tabernacle which the lord pitched and not man this comparison of the old testament with the new will unfold to us the glories of christ as foreshadowed in the jewish tabernacle yea it will reveal to us the wonders of the prophetic scriptures wherein the holy spirit testified beforehand the sufferings of christ and the glory that should follow 1peter 1 11 in connection with the typical significance of the jewish tabernacle we have one of the many clear proofs that the old testament is the new testament concealed whereas the new testament is the old testament revealed jehovah of the old testament is jesus of the new and the triune god gave to israel the tabernacle the priesthood and the offerings in order that sinful man might recognize the promised saviour and understand the significance of his mission and death

the tabernacle is the greatest of all the old testament types of christ as we look closely at its furniture its priesthood and its feast observances we are afforded a glimpse of god s glory his grace and his love for his chosen people the sacrifices and rituals performed in the tabernacle in the wilderness only pointed ahead to the time that god would reconcile his people to himself it is in this study of the tabernacle that tangibles become teachable it is where old testament realities that could be touched become new testament principles that must be put into practice it is through this study of the tabernacle that we more fully understand the principle of the actuality of the old depicts the spirituality of the new in this study we get to see jesus christ his purpose and process of redemption his plan of salvation and his role as savior the tabernacle is a study of god s masterpiece of typography to come away from a study of the tabernacle as an expert in the tabernacle and still not understand how to approach and worship the creator and having not experienced jesus during your study will basically have been an exercise in futility the purpose of this study is not to acquire knowledge for the sake of having more knowledge it is not to make one a bible scholar on the tabernacle instead the purpose of this study is to reveal jesus throughout the tabernacle and to enhance both one s corporate and individual worship experiences it is my sincerest hope and prayer that this book will give you a fresh perspective of worship a better understanding of his holiness and a renewed respect for the presence of god
