the topic of early literacy continues to gain momentum in educational circles but early literacy storytimes are only one way libraries can contribute the authors of this

innovative training handbook offer many more reflecting the combined expertise of a reading specialist an outreach librarian and an early literacy trainer every child ready for school keeps libraries at the forefront of early literacy and school readiness information delivery focusing on training the caregiver this handbook explains how to help day care providers homeschoolers and others who care for young children foster school readiness skills among their charges arms librarians with a step by step workshop model with tips on implementing and evaluating the program provides guidance for coordinating workshops with other library early literacy initiatives includes resources and activities to share with participants presenting models which can be easily adapted to state mandated school readiness requirements every child ready for school helps libraries fashion their own innovative community early literacy outreach programs

with its signature dare to keep kids off drugs slogan and iconic t shirts dare drug abuse resistance education was the most popular drug education program of the 1980s and 1990s but behind the cultural phenomenon is the story of how dare and other antidrug education programs brought the war on drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing max felker kantor has assembled the first history of dare which began in los angeles in 1983 as a joint venture between the police department and the unified school district by the mid 90s it was taught in 75 percent of school districts across the united states dare received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories but the program had more nefarious ends and felker kantor complicates simplistic narratives of the war on drugs he shows how policing entered us schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality

the volumes in this set originally published between 1940 and 1994 draw together research by leading academics in the area of welfare and the state and provide a rigorous examination of related key issues the volume examines the concepts of welfare in relation to the state through the areas of policy making social administration class division and social inequality social policy and privatization whilst also exploring the general principles and practices of the welfare state in various countries this set will be of particular interest to students of sociology politics economics social work respectively

in east asian cultures the arts of poetry calligraphy and painting are traditionally referred to as the three perfections this exhibition presents over 160 rare and

precious works all created in japan over the course of nearly a millennium that showcase the power and complexity of the three forms of art examples include folding screens with poems brushed on sumptuous decorated papers dynamic calligraphy by zen monks of medieval kyoto hanging scrolls with paintings and inscriptions alluding to chinese and japanese literary classics ceramics used for tea gatherings and much more the majority of the works are among the more than 250 examples of japanese painting and calligraphy donated or promised to the met by mary and cheney cowles whose collection is one of the finest and most comprehensive assemblages of japanese art outside japan
