this research is a pioneering study in comparative education in the context of cameroon in particular and africa in general which highlights present day school and classroom instances of language socialisation as instantiating anglophone and francophone education traditions in their representation of the british and french educational legacies from the colonial era its findings point to practices specific to each study site and to anglophone and francophone subsystems of education as they translate local national and global education perspectives and parallel anglophone and francophone cultures writ large the narrative analysis and findings of this study are therefore of relevance to educational communities in other countries as issues of language socialisation ideology identity bilingualism multilingualism and comparative education are raised from a language and culture learning angle the findings of this work also present emerging patterns of communal practices resulting from the coexistence of both subsystems of education while the empirical data presented expose an inadequacy between official bilingualism discourse and its implementation in schools which may have a significant impact on future orientation of this policy in schools in cameroon this book will be useful to scholars interested in the fields of language socialisation and comparative education in general and in africa and cameroon in particular it will also be of interest to language policymakers in the context of cameroon as data from schools indicate that official bilingualism practice does not echo policy discourse and problematises the construct of a cameroonian identity as constitutive of anglophone francophone and local cultures the data report however shows that the paradigm shift in teachers perceptions about the value of languages apparently influenced pupils attitudes towards the various languages to which they were being socialised both at home and in school and particularly shaped their understanding of the necessity of learning the second official language

cameroon is a land of much promise but a land of unfulfilled promises it has the potential to be an economically developed and democratic society but the struggle to live up to its potential has not gone well since independence there have been only two presidents of cameroon the current one has been in office since 1982 endowed with a

variety of climates and agricultural environments numerous minerals and substantial forests and a dynamic population this is a country that should be a leader of africa instead we find a country almost paralyzed by corruption and poor management a country with a low life expectancy and serious health problems and a country from which the most talented and highly educated members of the population are emigrating in large numbers to all of this is recently added a serious terrorism problem boko haram in the north a separatist movement in the anglophone west refugee influxes in the north and east and bandits from the central african republic attacking eastern villages this fifth edition of historical dictionary of the republic of cameroon contains a chronology an introduction and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent resource for students researchers and anyone wanting to know more about the republic of cameroon

this book offers hope to the parish that is searching for a way to make their liturgies more meaningful in the local context written by a priest and musician who have worked together for many years in the canterbury house ministry at the university of michigan the methods described here demonstrate a respect for others gifts and skills discernment of the spiritual needs of the community and actively welcoming the creative force of the holy spirit to work even in the planning process based on the liturgical format of the book of common prayer hamilton and rush nevertheless outline their experience and ideas in ways that will be useful to all liturgical denominations

hymns and the music the church sings in worship are tangible means of expressing worship and while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship hymns and hymnody historical and theological introductions is a sixty chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church this academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries volume 1 explores the early

church and concludes with the renaissance era hymnists volume 2 begins with the reformation and extends to the eighteenth century hymnists and liturgists volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography the mission of hymns and hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns we believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology this latter aspect we contend is missing yet important in accessible formats for the current literature

the anthropological literature on religious innovation and resistance in african christianity tended to focus almost exclusively on what have come to be known as african independent churches very few anthropological studies have looked at similar processes within mission churches through an ethnographic study of localizing processes in a charismatic movement in cameroon and paris the book critically explores the dialectics between pentecostalization and africanization within contemporary african catholicism it appears that both processes pursue although for different purposes the missionary policy of dismantling local cultures and religions practices and discourses of africanization dissect them in search of authentic african values charismatic ritual on the other hand features the dramatization of the defeat of local deities and spirits by christianity

this practical text examines the various styles of music and features specific suggestions for each piece of service music hymn and song with the aim of assisting music leaders to enrich meaningful worship

the peace corps was established in 1961 by the kennedy administration with the primary goal to help third world countries while guarding against the expansion of communism this study analyzes the programme and the performance of its volunteers in cameroon during the 1960s

what does it mean for the spirit world to be real scholars from different disciplines

investigate this topic focusing on the role played by the spiritual realm in pentecostalized africa the grammatical angle of their research proves to be a fruitful avenue to clarify the kind of reality or realities the spirit world has this novel approach takes us beyond most existing research by investigating the often unaddressed assumption that we know what it means for the spirit world to be taken as real this volume shows the importance of paying close attention to the grammar according to which people speak of spirits spirit witchcraft ancestors and other aspects of the spirit world

this text is a collection of sources both written and oral detailing the rich intellectual tradition of ancient africa to the mid 19th century it focuses solely on the work of africans and provides excerpts of sufficient length to expose readers to the breadth of indigenous intellectual traditions many of these works are translated here for the first time

hymns are a vital part of worship in most denominations congregational song has developed through the ages to include plainsong melodies psalm settings folk melodies composed hymn tunes gospel songs sacred choruses spirituals and canons all of these categories are included in this work wasson s index by focusing itself exclusively upon hymntunes is the most comprehensive collection of hymns and hymn materials that has been created to date it also provides new information about the many hymns that have been written during the hymnal explosion of the last twenty five years hymntune index and related hymn materials is an extraordinary resource for organists church musicians and librarians cataloging over 33 000 melodies sung by congregations world wide it provides the source of each and lists related materials included are incipits of the hymntune in the tonic sol fa system alternate titles for the same tune hymnals by code and hymn numbers where the tune may be found catalog reference numbers to the index key which lists material on the hymn tune other references such as sheet music and concertatos on the hymntune hymn materials include composer or arranger publisher and publisher s catalog number and the title the index is helpful when looking for tunes by a particular composer or arranger and also for noting the variations of a particular tune it provides a broad range of hymntune based music and allows the reader to compare tunes of similar melodic contours an essential work for organists pastors and libraries with music collections

the anglophone question postcolonial hegemony in cameroon the past that did not pass is a comprehensive collection of essays and analyses that explore the historical colonial postcolonial legal and international relations aspects of the politico cultural and linguistic crisis between the english speaking former british southern cameroons now divided into the northwest and southwest regions and the french speaking majority of the former french cameroon la république du cameroun this conflict has shaken cameroon to its core since the 1990s and led to an armed conflict between the government of cameroon and anglophone non state armed groups the premise of this book is that the anglophone question the problematic situation of the muted english and pidgin speaking minority in french cameroon is one of the unfinished items of business of world war i and the treaty of versailles of 1919 that resolved the conflicts of that great conflict the anglophone conflict has been exacerbated by the authoritarian republican chieftaincy that was installed in cameroon after independence and reunification this neo patrimonial kleptocratic regime of cameroon has with the support of its international partners emphasized the argument of force rather than the force of argument thereby creating yet another frozen african conflict the anglophone question cannot vanish by some political maneuver as cameroon s senile nonagenarian president has done over the decades with his ossified knee excruciatingly painful on the nation s neck that is my takeaway after reading this insightful well argued exhaustively researched highly intellectualized yet practical compendium of chapters that bear an unapologetic witness to the horrific anglophone problem i celebrate the authors fearlessness articulation and lucid presentation as the establishment continues to seal its ears with candle wax i ll reverse president paul biya s mantra and say rule 1 there is an anglophone problem rule 2 when in doubt consult rule 1 uche onyebadi phd texas christian university texas usa

cameroon pidgin english cpe is an english lexified atlantic expanded pidgin creole spoken in some form by an estimated 50 of cameroon s population primarily in the anglophone west regions but also in urban centres throughout the country primarily a spoken language cpe enjoys a vigorous oral presence in cameroon and the linguistic examples illustrating this description are drawn from a spoken corpus consisting of a range of text types including oral narratives radio broadcasts and spontaneous conversation the authors typologically framed investigation of the features of the language from its phonetics phonology and lexicon to its syntax and discourse

structure allows the reader a clear view of the linguistic character of cpe offering a comprehensive description of the language that will be of interest to creolists as well as linguists interested in african languages contact linguistics and comparative linguistics
