do you do what you love and love what you do how many of us are stuck in day jobs that really don t suit us has our heart left the building it is so easy to go through the motions in leadership and management and lead with our heads while our hearts long to be elsewhere in this short new passion packed book by dr hans finzel you will learn what it means to work in your passion zone hans explains from his own journey how to find your passion zone and what action steps to take if you are far from that place of fulfillment specifically you will learn about how to match up your profile and wiring to just the right assignment people love following leaders whose hearts are fueled by passion this book will help you uncover what passion in your work really is and how to find it no matter what stage you are at in your career the advice in this book is especially powerful for anyone in a role of leadership that is experiencing boredom or burn out life is too short to settle for less than the best especially if we are called to lead other people leading from the heart is working and leading from your passion zone why does leading from the heart really matter it can be natural to think if i am smart enough gifted enough and work hard enough of course people will respond to my leadership the more gifted you are and the smarter you are the more that this can be a

temptation and the easy default the problem is that kind of leadership does not inspire people and build deep loyalty the opposite is often true people follow people who they know trust and believe that trust is built between leader and follower within their hearts people follow leaders who are operating in their passion zone there is some sort of a magnetic loyalty that grows in followers who respond to leaders who lead with passion out front it seems that in today's fast paced always on digital world less is more so that is what the author is offering up this first in a series of mini books on big leadership topics

a practical guide for leading others with wisdom integrity and humanity this book argues that great leadership requires wisdom rather than a formulaic managerial approach to leadership lead with wisdom presents the case for leadership based on our shared humanity and the stories that unite us what emerges is a model of leadership based on learning to read key patterns of human experience the way language shapes our reality how we form new meaning through conversation how relationships determine influence and how we deal with uncertainty it presents readers with the tools and illustrated examples to implement the four arts of leading wisely how to draw out and create a new story in the organization how to find and leverage the brilliance of people how to speak with promise to restore meaning and hope and how to show grace in dealing with the most demanding people and circumstances offers a leadership approach rooted in our shared humanity and the stories which unite and define us ideal for corporate leaders middle managers administrators and anyone else with management responsibilities written by a popular speaker on leadership and the author of arts of the wise leader with personal ceo experience and a phd in the history of ideas structured as one key idea per page or double page spread with funky line drawings supporting the concepts and skills for anyone who wants to lead with wisdom integrity and humanity lead with wisdom offers a welcome alternative to traditionally robotic and formulaic leadership strategies

leaders lead the way leadership is the art of motivating and inspiring individuals to achieve their goals and objectives the world has seen a great number of leaders some of whom have made a positive impact on society while others have caused irreparable harm however regardless of their intentions the leaders lead the way in all aspects of human life from politics to business sports and entertainment in this essay i will explore what it means to be a leader the characteristics of effective leadership and the impact that leaders have on society at its core leadership is about inspiring and motivating others to achieve their goals this can be accomplished through a variety of means such as setting a vision for the future inspiring individuals to work together and providing guidance and support when needed effective leaders are able to bring out the best in people creating a culture of excellence and achievement that encourages everyone to work towards a common goal whether leading a company a sports team or a government leaders must be able to inspire trust and

confidence in those around them one of the most important characteristics of effective leadership is the ability to communicate effectively leaders must be able to articulate their vision and inspire others to believe in it they must also be able to listen to feedback and make adjustments as needed communication is not just about speaking it is also about active listening and understanding the perspectives of others effective leaders are also able to adapt to changing circumstances and adjust their strategies accordingly another key characteristic of effective leadership is the ability to make tough decisions leaders must be able to weigh the pros and cons of different options and make decisions that are in the best interests of their organization or society as a whole this often involves taking risks and accepting responsibility for the outcome of those decisions however effective leaders are not reckless they carefully consider the consequences of their actions and take steps to mitigate any potential negative effects the impact that leaders have on society is immense good leaders can inspire positive change fostering a culture of innovation creativity and excellence they can create jobs improve health care and education systems and promote social justice and equality however bad leaders can also have a significant negative impact causing division and strife promoting corruption and greed and undermining the very foundations of democracy and freedom in conclusion the leaders lead by example in all aspects of human life from politics to business sports and entertainment effective leaders are able to inspire and motivate others communicate effectively make tough decisions and adapt to changing circumstances they have the power to create positive change and improve society but they also have a responsibility to act with integrity and uphold the values that make our world a better place

love the lead lead with love is a collection of stories exploring different aspects of love in personal and professional life how can love lead to better leadership and why effective leadership should be about the ability to show selfless passion for feelings of others the real life stories in this book will take the readers through a journey about love in the facets of appreciation gratefulness trust and wisdom

leadership how to lead effectively efficiently and vocally in a way people will follow you will get an in depth look at how to lead effectively and efficiently this book clearly illustrates to you how to start with a vision and end up leaving a legacy in the following chapters you ll learn whether leaders are born or made how to lead with your heart and most importantly how to manage change in your life with poise and discernment so sit back and relax and finally learn how to lead the way you want too here is a preview of what you ll learn whether leaders are born or made how to take a vision and turn it into something more how to lead with your heart how to manage change how to leave a lasting legacy for future generations how being a leader can change your life plus much much more download your copy today show less
