philosophy and literature in latin america presents a unique and original view of the current state of development in latin america of two disciplines that are at the core of the humanities divided into two parts each section explores the contributions of distinguished american and latin american experts and authors the section on literature includes the literary activities of latin americans working in the united states an area in which very little research has been demonstrated and for that reason will add an interesting new dimension to the field of latin american studies

latin american culture has given birth to numerous dramatic works though it has often been difficult to locate information about these plays and playwrights this volume traces the history of latin american theater including the nuyorican and chicano theaters of the united states and surveys its history from the pre

columbian period to the present sections cover individual latin american countries each section features alphabetically arranged entries for playwrights independent theaters and cultural movements the volume begins with an overview of the development of theater in latin america each of the country sections begins with an introductory survey and concludes with copious bibliographical information the entries for playwrights provide factual information about the dramatist s life and works and place the author within the larger context of international literature each entry closes with a list of works by and about the playwright a selected general bibliography appears at the end of the volume

can an exiled writer ever really go home again what of the writers of argentina uruguay and chile whose status as exiles in the 1970s and 1980s largely defined their identities and subject matter after exile takes a critical look at these writers at the effect of exile on their work and at the complexities of homecoming a fraught possibility when democracy was restored to each of these countries both famous and lesser known writers people this story of dislocation and relocation among them jose donoso ana vasquez luisa valenzuela cristina peri rossi and mario benedetti in their work and their predicament amy k kaminsky considers the representation of both physical uprootedness and national identity or more precisely an individual s identity as a national subject here national identity is not the double abstraction of identity and nation but a person s sense of being and belonging that derives from memories and experiences of a particular place because language is crucial to this connection kaminsky explores the linguistic isolation miscommunication and multilingualism that mark late exile and post exile writing she also examines how gender difference affects the themes and rhetoric of exile how for example traditional projections of femininity such as the idea of a mother country are used to allegorize exile describing exile as a process sometimes of acculturation sometimes of alienation this work fosters a new understanding of how writers live and work in relation to space and place particularly the place called home

this major artistic biography of federico fellini shows how his exuberant imagination has been shaped by popular culture literature and his encounter with the ideas of c g jung especially jungian dream interpretation covering fellini s entire career the book links his mature accomplishments to his first employment as a cartoonist gagman and sketch artist during the fascist era and his development as a leading neo realist scriptwriter peter bondanella thoroughly explores key fellinian themes to reveal the director s growth not only as an artistic master of the visual image but also as an astute interpreter of culture and politics throughout the book bondanella draws on a new archive of several dozen manuscripts obtained from fellini and his scriptwriters these previously unexamined documents allow a comprehensive treatment of fellini s important part in the rise of italian neorealism and the even more decisive role that he played in the evolution of italian cinema beyond neorealism in the 1950s by probing fellini s recurring themes bondanella reinterprets the visual qualities of the director s body of work and also discloses in the films a critical and intellectual vitality often hidden by fellini s reputation as a storyteller and entertainer after two chapters on fellini s precinematic career the book covers all the films to date in analytical chapters arranged by topic fellini and his growth beyond his neorealist apprenticeship dreams and metacinema literature and cinema fellini and politics fellini and the image of women and la voce della luna and the cinema of poetry
