then shall the candidate be bound upon the wooden cross after the third day he shall be
brought back from the dead and carried up to heaven to be on the right hand of him
from whom he came surprisingly these lines are from an egyptian initiation ritual
thousands of years before the christian drama linking the two is just one fascinating
element in this profound introduction to esoteric christianity as timely today as when it
was first published in 1920 famed clairvoyant charles webster leadbeater was a bishop
of the liberal catholic church which preserves the sacraments while interpreting the
scriptures with maximum freedom he quotes st augustine himself saying that what we
now call christianity emerged at the very beginning of humanity as the one true
religion to access its transformative force leadbeater returns to original teachings and

decodes its story symbolically as a guide for direct knowledge or gnosis of the divine as Christ had the Godhead behind him so have we the same power although not yet unfolded as fully he says nevertheless it is only a question of development and that development is certain with the authority of a scientist and a mystic he addresses such topics as the birth of Christ in the heart God's utter love divine grace angelic help the true meaning of salvation and reincarnation and the evolution of the soul
