a new york times book review notable book from noted feminist and longtime columnist for the nation award winning author katha pollitt s pro reclaiming abortion rights presents a powerful argument for abortion as a moral right and social good as the supreme court is set to overturn the landmark decision that legalized abortion nationwide this urgent controversial book reframes abortion as a common part of a woman s reproductive life one that should be accepted as a moral right with positive social implications nearly fifty years after the roe v wade ruling abortion is still a word that is said with outright hostility by many despite the fact that one in three american women will have terminated at least one pregnancy by menopause even those who support a woman s right to an abortion often qualify their support by saying abortion is a bad thing an agonizing decision making the medical procedure so remote and radioactive that it takes it out of the world of the everyday turning an act that is normal and necessary into something shameful and secretive meanwhile the rights once upheld by the supreme court are threatened to be repudiated and systematically eroded by state laws designed to end abortion outright pro reaffirms the priority of a woman s life and health and discusses why terminating a pregnancy can be a force for good for women families and society it is time pollitt argues that we reclaim the lives and the rights of women and mothers a refreshing and comprehensive look at abortion rights pro is a passionate plea and a book that is needed now more than ever salon ultimately pollitt is arguing not just for reproductive rights but for reproductive justice which places the right to mother or not within the global context of human rights and social and economic justice inextricable from the fight for universal health insurance immigration reform and a host of social challenges the chicago tribune

this revised and updated edition of the 2016 bestselling work sets out the moral arguments for a woman s right to decide the future of her pregnancy drawing on traditions of philosophical and sociological thinking it presents the case for recognizing autonomy in personal private decision making about reproductive intentions further it argues that to prevent a woman making this decision according to her own values is to undermine the essence of her humanity the author explores how true respect for human life and regard for individual conscience demands that we support a woman s right to decide and that support for her right to terminate her pregnancy has

moral foundations and ethical integrity this second edition features a foreword by us abortion provider and reproductive justice advocate dr willie parker as well as additional chapters that consider the rights of doctors and nurses to withdraw from abortion provision on grounds of conscience furedi also surveys the rapidly changing landscape of the abortion debate including the rights of women in the aftermath of trump s presidency debates politics and religion in northern ireland and the republic of ireland and the differing levels of provision across europe

a provocative and important book that every pro choice advocate should read sinéad kennedy coalition to repeal the 8th amendment when it comes to abortion today s liberal climate has produced a common sense that is both pro choice and anti abortion the public are fed an unchanging version of what the abortion choice entails and how women experience it while it would prove highly unpopular to insist that all pregnant women should carry their pregnancy to term the idea that abortion could or should be a happy experience for women is virtually unspeakable in this careful and intelligent work erica millar shows how the emotions of abortion are constructed in sharp contrast to the emotional position occupied by motherhood the unassailable placeholder for women s happiness through an exposition of the cultural and political forces that continue to influence the decisions women make about their pregnancies forces that are synonymous with the rhetoric of choice millar argues for a radical reinterpretation of women s freedom

this volume presents the best scholarship from the 19th national communication association american forensic association conference on argumentation which took place july 30 august 2 2015 at cliff lodge snowbird resort in alta utah the alta conference first held in 1979 is the oldest conference in argumentation studies in the world and biennially brings together a lively group of scholars representing a variety of countries with diverse perspectives on the theory and practice of argument the essays in recovering argument invite reflection upon and reconsideration of argumentation s legacy present status and potential roles in social cultural and political life readers will encounter essays that treat the relationship between argumentation and memory historical approaches to argumentation the vitality of public and interpersonal argument argument s role in leadership discursive and presentational forms of argument and the challenges of difference readers also will find these topics addressed from a variety of historical social scientific and critical interpretive perspectives

this book re framed my entire adolescence i highly recommend you read it ling ma from the critically acclaimed author of dead girls stylish and inspired new york times book review a sharp engrossing collection of essays that explore the strange career of popular feminism and steady creep of cults and cult think into our daily lives in seven stunning original essays alice bolin turns her gaze to the myriad ways femininity is remixed and reconstructed by the pop culture of the computer age the unlikely often insidious forces that drive our popular obsessions are brilliantly cataloged contextualized and questioned in a kaleidoscopic style imitating the internet itself in the enumerated woman bolin investigates how digital diet tracking apps have increasingly transformed our relationships to our bodies animal crossing s soothing retail therapy is analyzed in real time a surprisingly powerful portrait of late capitalism and in the showstopping foundering bolin dissects our buy in and complicity with mythmaking around iconic founders from the hubristic fall of silicon valley titans to enron hamilton and the usa for readers of trick mirror and how to do nothing culture creep is a swirl of nostalgia and visions of the future questioning why in the face of seismic cultural political and technological shifts as disruptive as the internet we cling to the icons and ideals of the past written with her signature blend of the personal and sharply analytical each of these keen eyed essays ask us to reckon with our own participation in all manner of popular cults of being and cults of believing

when individualist ideals predominated in this movement ideals of independence social mobility even sexual freedom it gained wide adherence but when the movement supported collectivist

ideas of social reform it became more marginal and sectarian it was a focus on the individual woman s rights and happiness that reinvented feminist movements twice in our history in the decades from 1910 to the new deal and then again in the late 1960s the book examines this history gives an overview of the contemporary scene and analyzes the campaign to pass and ratify an equal rights amendment and its failure reclaiming the mainstream also discusses contemporary policy issues that affect women affirmative action and comparable worth rape battering sexual harassmt and incest the many facets of sexual and reproductive choice and the attempts to unify feminist and nonfeminist women against pornography or in support of social feminist issues

if most north americans admit they support a woman s right to an abortion why does the controversy still rage kathleen mcdonnell describes the often conflicting needs and emotions experienced prior to and after abortion
