today the problem of the relation of the christian church to the world stands front and center on the stage of world mission as never before the call goes out to the church to help people all over the world lead a truly human life as the children of god the church s

ministry in the world must therefore include ministry to human economic needs in this nationalistic age moreover each new church must find its own particular economic structure not adopt one that is dictated by the tradition of other countries western mission leaders and laity who demand that churches in the third world follow the western churches collection plate economy may be unaware of the rich diversity of practice in their own history represented by such missionary pioneers as the moravians and the basel mission trading company danker s informative book is a study of those two groups concentrating particularly on the economic structures they created to support their mission work the author hopes that it will help free christians on mission frontiers on all six continents to find the forms that will carry out the tentmaking mission of the church in the marketplace today profit for the lord will appeal to those interested in church history and government as well as those involved in missions

this volume examines the relationships between the german colonial administration the basel mission the british baptist missionary society and other missionary societies that characterized the setting up of basel mission education in cameroon against the backdrop of intense rivalry spanning a period of 82 years the book meticulously documents the kick off expansion and elaboration of the basel mission s efforts to institutionalise education as well as its objectives and operational modalities basel mission education in cameroon deepens our understanding of european imperialism and its legacy in postcolonial societies policy makers and educationists in cameroon and africa at large will find this volume very instructive as they forge educational systems that serve the needs of current and future generations of africans

this book offers a detailed study of how the practices and notions of the basel mission regarding women and gender were received conceptualised and negotiated in local terms in pre and early colonial ghanaian societies 1843 1885

the church missionary society now renamed the church mission society has been for most of its 200 year history the largest and most influential of the british protestant missionary agencies its bicentenary in 1999 is being marked by the publication of this collection of historical and theological essays by an international team of scholars including lamin sanneh kenneth cragg and geoffrey a oddie the volume contains re assessments of the classic centenary history of the cms by eugene stock and of the strategic vision of henry venn one of the two architects of the three self theory of the indigenous church there are chapters on the close links between the cms and the basel mission women missionaries and regional studies of samuel crowther and the niger mission iran the middle east new zealand india and kikuyu christianity the volume makes a major contribution to the growing body of literature on the indigenization of missionary traditions and will be of interest to historians of the missionary movement and non western christianity as well as theologians concerned with religious pluralism dialogue and christian mission

this book is about the basel mission in the gold coast now ghana before the first world war miller reconstructs the backgrounds and motivations of the mission s participants and describes the organizational structure that shaped their activities at home and abroad he then traces some serious and recurrent internal problems to the commitment to difficult pietist beliefs about authority and obedience the organization survived those troubles and its impact on ghana continued to grow because the same biblical worldview that demanded extreme discipline also prepared the members of the mission community to sustain their efforts

in the historical literature on mission this book stands out for its detailed examination of the organizational dynamics that gave shape and brought enduring success to the

evangelical missionary society at basel a first rate account of the early basel mission on the gold coast of west africa present day ghana this volume takes readers inside the mission itself revealing its dynamic though sometimes contradictory methods of motivation and discipline and how they impacted effective evangelism both at home and abroad working from archival records jon miller details the collaboration across class lines that made the mission possible and he shows how basic pietist beliefs about authority and obedience were the source of both the mission s strengths and its most serious internal weaknesses also included are two dozen photographs a foreword by richard v pierard and an afterword by paul jenkins
