this monograph examines the rhetorical nature and function of representations of the future in political discourse focusing on political actors use of hegemonic images of future reality to achieve their political goals it argues that a key ideological dimension of political rhetoric lies in politicians use of projections of the future to legitimate policies and actions this argument is grounded in systemic functional and critical discourse analyses of the bush doctrine the u s policy response to the september 11 terrorist attacks which sanctioned a preemptive military posture by focusing on the discursive construction of the future this project addresses a lacunae in critical discourse studies and calls attention to the crucial role that the discourse and practice of futurology has played in post cold war politics and society it will be of value to scholars interested in the discourses of politics the war on terror u s national security and futurology

in twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved the approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead

abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps reviewing the work of many hugo and nebula award winners as well as drawing upon popular film and television series like the buck rogers serials abbott s study journeys across the far reaches of science fiction s universe

a collection of studies dealing with various aspects of jewish political life the philosophical and structural elements of the jewish polity in the diaspora political change in 20th century anglo and american jewish communities jewish identity in the state of israel the role of its religious political parties and israeli public protest are all analysed from a jewish and a general comparative perspective dust jacket

beginning in 1956 each vol includes as a regular number the blue book of southern progress and the southern industrial directory formerly issued separately
