there is indeed a heaven heaven it is said is the quintessential place for only clean souls that had earlier experienced the earth though the general assumption is that only dead people can have access to this gorgeous place humans have been inside it and the bible says so heaven however is not what the church has made it out to be for the church heaven is a tool the bible tells us what heaven is but the church interprets heaven to be what they want it to be in the real proof of heaven what where is it we take you on a profound journey into the heart of ancient mind set and practices revealing a breathtaking hidden reality that will transform your life forever and in many ways we will literarily take you to heaven we are able to take you to the real heaven because the ages are exposing the hidden secrets to mankind you will see and understand what heaven is far from offering simple interpretations platitudes and general principles the real proof of heaven what where is it drags you out of the surprisingly archaic thinking that gave us the biblical

heaven in the world of the ancients through various ages while using modern knowledge as a guide yes you will literarily see heaven as it is because heaven is as real in the bible as it is real today it is physical it is out there floating in space as one of the biggest spaceships unlimited and uninhibited by space heaven is in this universe in this dimension and with time someday humans will start to interact with it while presenting you with all the incredible evidence to support this you will discover for yourself that modernity has not put a dent in how or what the ancients thought believed and worshipped compared to religious practices of modern people they were are the same concepts as people older than us have inferred in their ancient testimonies the perspectives between the old and new are still the same even while modern peoples spin the same old practices as if it has been koshered it will be disheartening that many people will have to go to their graves believing what they believe a lie the biggest lies of them all a heaven and a hell religious texts must be radically and truthfully interpreted as the ages open up its hidden knowledge to mankind misinterpretation is one reason the pages seem lost on theistic ears already dejected listening to the words coming out of the mouth of a preacher who is struggling to make a story line out of the texts written thousands of years ago millions of people have believed in teachings that were intended for disinformation they believed because in the eyes of the innocent the teachings appear to be convincing and true if you don't believe their teachings they convince you that there is a thing called faith when that fails they describe your culture and practices as paganism and satanism they make you feel less of a human and even threaten your well being and life they are succeeding especially with the promise of heaven or hell in an afterlife as your only two choices any attempt and indeed all the attempts to convince you and me one way or the other about a proof of a heaven is disingenuous and will remain disingenuous there is no way as a material being that you could interpret the immaterial it is near impossible it is even crazy to try and think of it whether they say it is by near death experience nde don't cut it it does not work that way near death experiences is not death a near miss after shooting a game is not same as a kill near death experiences are not the real transformation to another dimension if a bird dodged my catapult shot the bird was not near death the bird might not even know that it has been shot at death is death not near death near death experiences are like experiences between dreams and lives you don't know what dimension you were in in both experiences until you wake up

this book is about a place that everyone wants to go to but where is not everyone is going its biblical name is heaven the book differentiates between the atmospheric heaven the starry heaven and heaven the abode of god heaven is a perfect place where there is no sin and sorrow there is absolute peace however there are certain requirements laid down by god for those who are to enter into his presence first and foremost there cannot be any sin or anything that defiles that automatically bars all of us from being there because we are all sinners we are sinners because we have been born with a sinful nature and then we live lives of sin and rebellion to god for that we have to be judged god has provided a way whereby we can freely enter into heaven through accepting the work done by his son on the cross as our own only then will we be able to enter into this place of which we speak heaven is far beyond our ability to describe or imagine it is so beautiful and holy that we can just barely tell of it various aspects of heaven such as paradise the kingdom of god the ivory palaces are described using direct quotes from god's holy word the object of the book is to direct the reader to god's way of salvation and to draw to the attention of each reader some of the beauties of heaven as it is written
