all day in heaven gives short explanations of challenges we all face in our lives followed by new and much loved bible verses written in clear easy to understand language at the back of each teaching whether we face problems or just want to know what god thinks about a particular topic this book gives some of the answers we have worked with vicki case many times over the decades of ministry we have served our lord and savior vicki is a

great woman of god with wisdom and insight from the throne room of heaven as a friend there is none more faithful or precious as a writer she captures your heart with every word and when you are finished you feel refreshed bathed in god s love and goodness cheryl and harry salem salem family ministries cathedral city california

there is indeed a heaven heaven it is said is the quintessential place for only clean souls that had earlier experienced the earth though the general assumption is that only dead people can have access to this gorgeous place humans have been inside it and the bible says so heaven however is not what the church has made it out to be for the church heaven is a tool the bible tells us what heaven is but the church interprets heaven to be what they want it to be in the real proof of heaven what where is it we take you on a profound journey into the heart of ancient mind set and practices revealing a breathtaking hidden reality that will transform your life forever and in many ways we will literarily take you to heaven we are able to take you to the real heaven because the ages are exposing the hidden secrets to mankind you will see and understand what heaven is far from offering simple interpretations platitudes and general principles the real proof of heaven what where is it drags you out of the surprisingly archaic thinking that gave us the biblical heaven in the world of the ancients through various ages while using modern knowledge as a guide yes you will literarily see heaven as it is because heaven is as real in the bible as it is real today it is physical it is out there floating in space as one of the biggest spaceships unlimited and uninhibited by space heaven is in this universe in this dimension and with time someday humans will start to interact with it while presenting you with all the incredible evidence to support this you will discover for yourself that modernity has not put a dent in how or what the ancients thought believed and worshipped compared to religious practices of modern people they were are the same concepts as people older than us have inferred in their ancient testimonies the perspectives between the old and new are still the same even while modern peoples spin the same old practices as if it has been koshered it will be disheartening that many people will have to go to their graves believing what they believe a lie the biggest lies of them all a heaven and a hell religious texts must be radically and truthfully interpreted as the ages open up its hidden knowledge to mankind misinterpretation is one reason the pages seem lost on theistic ears already dejected listening to the words coming out of the mouth of a preacher who is struggling to make a story line out of the texts written thousands of years ago millions of people have believed in teachings that were intended for disinformation they believed because in the eyes of the innocent the teachings appear to be convincing and true if you don t believe their teachings they convince you that there is a thing called faith when that fails they describe your culture and practices as paganism and satanism they make you feel less of a human and even threaten your well being and life they are succeeding especially with the promise of heaven or hell in an afterlife as your only two choices any attempt and indeed all the attempts to convince you and me one way or the other about a proof of a heaven is disingenuous and will remain disingenuous there is no way as a material being that you could interpret the immaterial it is near impossible it is even crazy to try and think of it whether they say it is by near death experience nde don t cut it it does not work that way near death experiences is not death a near miss after shooting a game is not same as a kill near death experiences are not the real transformation to another dimension if a bird

dodged my catapult shot the bird was not near death the bird might not even know that it has been shot at death is death not near death near death experiences are like experiences between dreams and lives you don't know what dimension you were in in both experiences until you wake up

heaven is waiting is about heaven but it is much more it is about our longing for heaven our innate instinct for it it is about eternity in our hearts and how the hope of heaven inspires and sustains us we groan inside as we resist death and cry for something more beyond the grave what we call life is a journey to death what we call death is the gateway to life using biblical principles triplett paints a refreshing picture of heaven and provides proof that heaven is a real place he challenges many preconceived ideas of what heaven will be like while answering the questions that you may not have had the courage to ask he has collaborated with noted clergymen who share their insights about the heaven that can become your final forwarding address this book will either affirm your belief in heaven or challenge your plan for getting there heaven is a permanent residence a city without a cemetery a place where we unpack our bags memories and stay forever are you excited and ready for a great adventure are you anticipating what awaits you beyond death's door prepare for the time of your life heaven is waiting

heaven is one of those great mysteries that somehow symbolizes what we don't know about ourselves and the world around us at the same time it lifts our vision from the mundane realities of our lives and reminds us that beyond the daily grind of our existence there is another unseen reality paula gooder explores the bible's teaching on heaven and explains how it is nearer to earth than you might think a book for all who are curious about the dwelling place of god and the angels intended for people looking for answers to life's biggest questions this little book of guidance will appeal to anyone whether believer or non believer looking for a quick and easy way into the topic

without question our world is filled with misery and pain we somehow know and feel that something is terribly wrong with it we have an idea of the kind of world we believe we should have but we seem to believe that the world we live in falls short of this ideal world the fact that we experience snippets of happiness and sometimes pleasure makes us wonder why the world we live in cannot be filled with happiness through and through hence we feel that something is missing the contention of this book is fairly straightforward though perhaps not simple and it is this there is nothing good here on earth for which heaven does not have a better substitute of infinite proportions whether we desire greatness beauty holiness healing or answers to questions of ultimate concern heaven will fulfill them completely the aim is not only to help the believer to look forward to a glorious end of this life and a glorious beginning of a new one but also to enable him or her to live a meaningful life here on earth in spite of the reality of pain if this conclusion can help a suffering saint to bravely face his or her hour of trial then this book will have accomplished its purpose

provocative voice offers a catalyst to awakening your five spiritual senses to experience heaven as a present reality and not just a final destination

this book is about a place that everyone wants to go to but where is not everyone is going its biblical name is heaven the book differentiates between the atmospheric heaven the starry heaven and heaven the abode of god heaven is a perfect place where there is no sin and sorrow there is absolute peace however there are certain requirements laid down by god for those who are to enter into his presence first and foremost there cannot be any sin or anything that defiles that automatically bars all of us from being there because we are all sinners we are sinners because we have been born with a sinful nature and then we live lives of sin and rebellion to god for that we have to be judged god has provided a way whereby we can freely enter into heaven through accepting the work done by his son on the cross as our own only then will we be able to enter into this place of which we speak heaven is far beyond our ability to describe or imagine it is so beautiful and holy that we can just barely tell of it various aspects of heaven such as paradise the kingdom of god the ivory palaces are described using direct quotes from god's holy word the object of the book is to direct the reader to god's way of salvation and to draw to the attention of each reader some of the beauties of heaven as it is written eye hath not seen nor ear heard neither have entered into the heart of man the things which god hath prepared for them that love him i corinthians 2:9

today people are so consumed with self that they approach god with an eye toward what he can do for them rather than what he wants to do for them thrasher uses his personal testimony of how he lived as an unconverted believer and now a true believer to help others get off the broad road that leads to destruction and onto the narrow road to eternal life with god
