this highly thought provoking book packed with incisive observations and analyses on a wide range of issues facing british muslims offers concise yet extensive commentary on the cultural and intellectual contentions in contextualising islam in the uk as of 2018 roughly 50 of the uk s muslim population was born in the uk with this shift comes on one hand the loss of old ways of experiencing the world and navigating one s place within it and on the other hand it comes with the excitement and opportunity to make new culture the questions now facing british muslims are from where can british muslims get their inspiration and what should be the nature of this new culture these questions are becoming ever more important as the uk s muslim population is expected to grow from 5 to 10 by 2050 thus the author s clearly presented analysis provides critical and constructive insights for readers wanting to understand how to make faith more

meaningful and relevant going from a largely immigrant ethnocentric religion and identity politics to one formed on intelligent and confident theocentric understanding essential reading for anyone interested in islam and british muslims including policymakers community leaders philanthropists and activists as well as scholars and students of islamic studies sociology cultural studies politics philosophy and identity this is a most refreshing and indispensable overview for anyone interested in the area commendations dr khan rejects the shallow identity politics which assume that british muslims must either assimilate to western secular norms or react fanatically against them instead he reminds us that all great religions demand an intelligent application of their principles to everyday life and demonstrates how this should be done in a series of thoughtful articles which not only offer informed judgements but encourage readers to think for themselves dr michael sherborne author of hg wells another kind of life 2010 mamnun is a young social analyst founder of grassroots initiatives and writer whose collection of articles are interesting insightful and pertinent his ability to question received wisdom analyse complex issues succinctly and offer possible solutions to the challenges facing british muslims is refreshing and admirable recommended reading muhammad mojrum khan f r a s author of bestselling the muslim 100 2008 the muslim heritage of bengal 2013 and great muslims of the west 2017 this collection of thoughts observations and meditations provides a welcome perspective to the ongoing crystallisation of religiously inspired thinking in britain it is in the spirit of communal deliberation and intellectual enquiry that this anthology constructively demonstrates how we might proceed shaykh muhammad nizami british born islamic scholar and political theorist islam in the uk is at a fork in the road at the end of one turn is weakness irrelevance and eventual disappearance at the other end is confidence prosperity and illumination dr mamnun s timely series of short essays boldly and effectively makes the case for the latter may this work inspire positive action in those who are concerned by our current predicament and long for a return to godliness guidance and harmony iqbal nasim chief executive national zakat foundation

in this astonishing new book by mark anastasi author of the new york times bestseller the laptop millionaire the author takes us on a journey of discovery as he explores some particularly startling predictions by psychics and channellers about our planet s future in this book you will also find the predictions of economists futurists secret society insiders

and even people who claim to be channelling information from extra terrestrial intelligences many of these surprising predictions are coming true all around us financial collapse famine civil unrest and a war between russia and the us are just some of the common events that are being foretold dive into prophecy 2017 2137 and discover how to survive the coming global monetary reset and financial collapse why martial law is coming to america what will happen to the prices of gold silver oil stocks and food the four countries that will join forces to invade america how hollywood is warning us of what is to come how europe will dissolve and will be invaded by russia why city dwellers will become sterile how the truth about our ancient past will finally be revealed how mass unemployment will lead to famine the dramatic global depopulation that will occur in the 21st century the prophecies of the last zulu shaman who foretold world war iii why you need to start growing your own food how the flowering of human consciousness will occur after the next great war and much much more
