i have chosen not only to write out my personal prophetic words but also to publish them because as we all watch them come to pass in my life they would serve as testimonies of the goodness of the lord i hope that many will be encouraged and inspired as they read these prophecies so that they too will begin to take the word of god spoken to them seriously we are encouraged at life center ministries to always write out our prophetic words so that we can understand them more accurately and thereby pray according to the words that were actually spoken and not what we thought was spoken to us we are to take the word of god spoken over our lives and war with them just like paul instructed timothy when the devil tries to bring into your life something contrary to what god has spoken to you you should stop rebuke

the devil and declare what god said instead personal prophecy is one way that the lord speaks to us it as important as having god speak directly to you god s word is powerful and we have to treat it as such once we have judged a word of prophecy by the word of god and determined that it is the word of the lord we must come into agreement with the lord concerning it in order to see it come to pass in our lives many people are yet to come into agreement with the lord concerning the prophetic words he gave them years ago and as a result these words are yet to manifest in their lives agree with the lord concerning your prophetic words the only prophetic words that you must reject are the ones that have been judged to be wrong prophecies by you and the leadership god has placed over you otherwise believe that there is power in the personal prophetic words spoken by god s prophets and ministers over your life amen

first and foremost personal prophecy must be placed in its proper context personal prophecy is supposed to supplement and confirm god s written word in our lives rather than to replace it all personal prophecy is subject to god s word which means that god will not speak to you in a way that contradicts the scriptural truths found in his written word one of the ways we hear from the lord is through personal prophecy but it is far from the only way i ve encountered folks who place a larger emphasis on personal prophecy than on everything else as if everything they do requires a prophetic word while some feel that personal prophecy is only used to confirm what god has shown us personally and is not meant to reveal anything new about god s will in our lives others claim that god no longer speaks through personal prophecy remember that god s word says that we should want to prophecy and should not reject prophesying 1 corinthians 12 39 14 1 39 1 thessalonians 5 20 in my perspective one of the most important responsibilities of personal prophecy is to affirm what the lord has previously stated to us personally because many people have difficulty hearing god clearly he will communicate with us through personal prophecy and disclose his desires to us as proven by several scriptural occurrences in both the old and fresh testaments god does reveal new things to us about his intentions for our life through personal prophecy god revealed a calling and a plan for paul s life that he had not previously known about as the apostle paul exemplifies regardless of whether or not stipulations are expressed we must acknowledge that personal prophecy is conditional

have you got an interest in the prophetic have you received the ability to give personal prophecies do you think that you may be called to be a prophet or a prophetess do you want to get an idea about the prophetic and find out some things about personal prophecy well you have come to the right place this book has been lovingly written for the person who is very new to the prophetic are you beginning do you want to know what it takes to become a prophet who has become accurate and competent in delivering prophetic

words and other duties of a prophet in this book you will learn the many advantages of personal prophecy the effect prophecy has on people what will be required of you to become a prophet see that the path to becoming a prophet isn't an easy one come and explore what your life will look like as a prophet come and get a glimpse into what you can expect take some time out to be encouraged to continue on your own prophetic journey from someone that has been before you
