the problem of the materia prima is certainly one of the most important challenges of late antique physics it is interesting to note that such a difficulty has never been focused on an exhaustive treatise in antiquity if the question of the matter resists any investigation it is because the matter is radically aneideos without form even though it is the condition sine qua non of the existence of all forms in the sensible world the present study proposes the first translation in french of the entire eleventh book of the philoponus contra proclum vie s which precisely discusses the status of the prime matter after having clarified the context of such a question in the neoplatonic alexandrian school it puts forward a detailed step to step analysis of the philoponian argument the notions used by him and a new general theory which attempts to evaluate the pertinence and the internal coherence of his contribution to this very problematic question le problème de la materia prima est sans aucun doute l'une des questions les plus redoutables de la physique tardo antique du moins s'il faut en croire la difficulté à en circonscrire la théorie dans un traité qui put faire école si la matière en effet résiste à toute investigation rationnelle c'est qu'elle est foncièrement sans forme bien qu'elle soit la condition sine qua non d'existence de toutes les formes du monde sensible la présente

étude propose la première traduction en français du livre xi du *contra proclum* de Jean Philopon. Vie s elle commence par recontextualiser le propos de Philopon en l'inscrivant dans la tradition de la *quaestio disputata* de l'école néoplatonicienne d'Alexandrie. Chaque sous-chapitre traduit et exhaustivement annoté est suivi d'une analyse détaillée de l'argument philoponien et des notions mobilisées ainsi que d'une théorie générale qui essaiera à chaque fois d'évaluer la cohérence et la pertinence du propos du grammairien alexandrin.

This volume contains terms often found in international human rights instruments together with clear authentic objective and easily understandable definitions of them. Human rights are so fundamental and so important for everyone that all human rights documents should be understood by anyone old or young, educated or uneducated, expert or non expert. Yet many human rights conventions, declarations, instruments and volumes and papers are extremely hard to comprehend or are easily misunderstood because certain expressions and terms are not clearly defined or are written in such a way that only those familiar with *un jargon* can understand this. Publication is a useful tool for those who face such difficulty in understanding *un human rights documents* and other texts. The volume is easy to use yet rich in detail and will be an indispensable tool for practitioners, researchers and students of human rights law.

This project was undertaken not so much as a farewell to the contribution Adama Dieng has selflessly offered to humanity but mainly as a token of appreciation to his dedication and contribution to the rule of law and human rights especially in his native continent Africa. As a high ranking international civil servant, diplomat, teacher, activist and accomplished jurist, Adama Dieng has inspired and indeed continues to inspire a generation of men and women both in Africa and beyond with his unqualified commitment to the advancement of the ideals reflected in the United Nations Charter and the Universal Declaration of Human Rights. Through his work and commitment to the cause of international justice and conflict prevention, he has consistently placed the interests of his fellow men and women and indeed those of his continent before his own interests. It is therefore in recognition of his efforts that his fellow jurists, friends and colleagues decided to

honour his contribution through a collection of essays on a life dedicated to the advancement of international peace and justice through the rule of law the contributions gathered here represent in good measure the values and beliefs in rule of law and human rights that have characterized adama s commitment to work towards a better africa and a better world

the 2019 compendium offers an overview of salient government policies and related private sector measures concerning global and national markets for oilcrops and derived products its purpose is to facilitate the work of policy makers market experts analysts and other interested stakeholders by providing a short concise overview of policy developments relevant to the sector detailed news items are presented in tabular form in english only preceeded by a brief discussion of the key policy trends observed in the year under review le recueil de 2019 propose une vue d ensemble des principales politiques publiques et mesures connexes prises par le secteur privé concernant les marchés mondiaux et nationaux des cultures oléagineuses et de leurs produits dérivés il vise à faciliter le travail des décideurs des experts du marché des analystes et autres parties intéressées en leur fournissant une vue d ensemble brève et concise de l évolution des politiques pertinentes pour le secteur les nouvelles politiques et mesures sont présentées de manière détaillée sous forme de tableau en anglais seulement précédées d une brève présentation des principales tendances en matière de politique observées au cours de l année considérée
