they have heard so many stories now that the humans of earth are understandably sceptical when told their ancestors did not in fact originate on this planet however there is an unsettling ring of truth tying that claim to the notion that jacob stanzini is attracting a spectral being who may be merely an initial scout for a potentially annihilative incursion into this world

this is not a story of chance but one of the legacy of a bio engineer who made one colossal error when halbolival created its own slave armies it failed to realise the nature of the source of the majority dna utilised in that diabolical project and it was ignorant of the existence of that same dna in one planet harvested by its clan by bringing together the slaves created in its laboratories with the progeny of ancient settlers on earth halbolival set the scene for the only creditable resistance to vinctalin rule in the galaxy

the glorious emperor ex slave to the vinctalin could prove to be their one enemy capable of destroying them and he does not think small believing he has the means to save humanity to say nothing of wreaking vengeance on his evil tormentors pakow lam fellen leads an attack on the vinctalin home world only the raving traumatised psychiatrist can see the flaw in his plan because only he has come to understand the nature of the beasts the retaliatory strike on the vinctalin increases hugely in complexity and scale and horror as a simple surgical strike turns into a mass attack on a number of solar systems

so called allies seem to be almost as much a threat to earth s alliance as the vinctalin themselves secrets lies and false histories have been the order of the day for millennia who really runs the ahs home world what are they hiding what is the truth regarding the massacre of hundreds of thousands of pakow s guards and what did zan discover on that strange device the ovinka determined to get the answers to these questions jonathan hatches his most audacious plot yet in the process he takes veekenites and vinctalites one step closer to understanding their origins while alex uncovers the truth about veekerens
