a critical examination of the woman s missionary union and how it shaped the views of southern baptist women the woman s missionary union wmu founded in 1888 carved out a uniquely feminine space within the southern baptist convention during the tumultuous years of the progressive era when american theologians were formulating the social gospel these women represented the southern baptist elite and as such had the time to read write and discuss ideas with other southern progressives they rubbed shoulders with more progressive methodist and presbyterian women in clubs and ecumenical missionary meetings baptist women studied the missionary publications of these other denominations and adopted ideas for a southern baptist audience home without walls southern baptist women and social reform in the progressive era shows how the social attitudes of women were shaped at the time by studying primary documents including personal letters official exchanges and memoranda magazine publications newsletters and editorials carol crawford holcomb uncovers ample evidence that wmu leaders aware of the social gospel and sympathetic to social reform appropriated the tools of social work and social service to carry out their missionary work southern baptist women united to build a financial empire that would sustain the southern baptists through the great depression and beyond their social attitudes represented a kaleidoscope of contrasting opinions by no stretch of

the imagination could wmu leaders be characterized as liberal social gospel advocates however it would also be wrong to depict them as uniformly hostile to progressivism or ignorant of contemporary theological ideas in the end they were practical feminists in their determination to provide a platform for women s views and a space for women to do meaningful work

in step with the metoo movement and third wave feminism women s roles provoke lively debate in today s evangelical sphere the southern baptist convention sbc has a complicated past regarding this issue and determining what exactly women s roles in home church and society should be or even what these roles should be called has been a contentious subject in a marginal majority women gender and a reimagining of southern baptists editors elizabeth h flowers and karen k seat and eight other contributors examine the sbc s complex history regarding women and how that history reshapes our understanding of the denomination and its contemporary debates this comprehensive volume starts with women as sbc fundraisers moves to the ways they served southern baptist missions and considers their struggles to find a place at southern baptist seminaries as well as their launching of teaching or women s ministries along the way it introduces new personalities offers fresh considerations of familiar figures and examines the power dynamics of race and class in a denomination that dominated the south and grew into a national behemoth additionally the essay collection provides insights into why the sbc has often politically aligned with the right not only did the denomination become increasingly oriented toward authoritarianism as it clamped down on evangelical feminism but as several contributors reveal even as southern baptist women sought agency they often took it from others read together the chapters strike a somber tone challenging any triumphal historiography of the past by providing a history of contentious issues from the nineteenth century to the present day a marginal majority provides invaluable context for the recurrent struggles women have faced within the united states largest protestant denomination moreover it points to new directions in the study of american denominational life and culture

popular mechanics inspires instructs and influences readers to help them master the modern world whether it's practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle

the bureau of social hygiene made this study of 18 000 working women the study presents statistics on living and working conditions and concludes that the living situation of single working women requires attention
