this volume takes readers on a fascinating journey through the visual arts of aotearoa new zealand australia and the pacific islands contemplating the multivocal dialogues that occur between these artistic media and the texts and traditions of the bible with their distinctively antipodean perspectives contributors explore the innovative ways that both creators and beholders of oceanic arts draw upon their contexts and cultures in order to open up creative engagements with the stories themes and theologies of the biblical traditions various motifs weave their way throughout the volume including antipodean landscapes and ecology post colonialism philosophy oceanic spiritualities and the often contested engagements between western and indigenous cultures within this weaving process each essay invites readers to contemplate these various forms of visual culture through oceanic eyes and to appreciate the fresh insights that this process can bring to reading and interpreting the biblical traditions the result is a rich and interdisciplinary array of conversations that will capture the attention of readers within the fields of biblical reception studies cultural studies theology and art history

in order to draw or paint anything successfully an artist needs a good understanding of perspective but it is a subject that most people seem to find very confusing and challenging in stark contrast to other books on the market the artist s guide to perspective demystifies this subject and explains it in a clear accessible way before pencil is put to paper a series of simple exercises which purely involve looking enables readers to discover the basic principles of perspective for themselves observing and understanding the book then builds on these fundamentals clearly progressing through the chapters covering picture planes vanishing points aerial perspective and foreshortening culminating in how to produce a projection for a large piece of work sequences of colour photographs and clearly sketched diagrams accompany the exercises and information so there is always a visual to back up the points being made this book is for anyone who wants to draw or paint with the benefit of sound knowledge method and consistency in order to produce realistic well thought out work

a particularly useful informative and stimulating work for any reader with an interest in the philosophy of art katerina bantinaki analysis

perspective is key to making your artworks look convincing and three dimensional yet it can be a daunting prospect to artists this handy guide sets out the rules of perspective clearly and simply using demonstrations and step by step exercises you will learn how the same perspective rules underpin compositions of all types from panoramic landscapes to urban scenes interiors simple objects and human figures
