sense and finitude interrogates one of continental philosophy's central insights: the temporality or finitude of philosophical thought juxtaposing the views of such philosophers as Plato, Heidegger, Walter Benjamin, Gadamer, and Derrida on art, poetry, and non-Western cultures with the insights of those very artists, poets, and cultures interpreted by them. Alejandro A. Vallega elucidates a certain sensibility fundamental to philosophical thought once it has come face to face with its concrete finitude in the sense that philosophical ideas are always exposed to interpretation, transformation, and loss by addressing philosophy's exposure to experience beyond its own delimitations. Vallega shows how such investigations can enrich the philosophical enterprise.

What does heroism look like when does friendship become too costly? Do we ever truly touch one another or are we doomed to walk alone forever? Can love survive trials or does it inevitably wither and die? The Accidental Marriage is a contemporary story that explores these questions through vibrant sympathetic characters whose struggles and triumphs illustrate that love doesn't always look like you would expect. Scott and Megan are friends who live and work in the vibrant San Francisco Bay Area. Mostly contented with their jobs and same-sex relationships, they meet for lunch and sympathetic conversation from time to time. When Megan's partner wants a baby, Scott offers to help. The ensuing complications force Scott and Megan to grapple with how much they're willing to sacrifice for friendship and for the child they've conceived. When Megan's situation unravels, Scott must step up to responsibilities he's never assumed before. Then his circumstances start to crumble, and a series of misfortunes strip them of everything but each other.

Surveying a project that was conducted through the Center for the Study of Writing at Carnegie Mellon University, this book details the classroom inquiries conducted during the 4-year project (1988-1992) by 33 teacher-researchers from secondary and postsecondary classrooms. The articles and their authors are: 1. Teachers as theory builders: Linda Flower; 2. Creating a context for collaboration: a thumbnail history of the Making Thinking Visible project: Linda Norris and Linda Flower; 3. Writers planning snapshots from research: Linda Flower; 4. Teaching collaborative planning: creating a social context for writing: David L. Wallace; 5. Interactions of engaged supporters: Rebecca E. Burnett; 6. Transcripts as a compass to discovery: Leslie Byrd Evans; 7. Using information for rhetorical purposes: two case studies of collaborative planning: David L. Wallace; 8. Experiencing the role of the supporter for the first time: Leonard R. Donaldson; 9. Collaborative planning and the senior research paper: text conventions and other monsters: Karen W. Gist; 10. Note-taking: an important support for productive collaborative planning: Andrea S. Martine; 11. Exploring planner's options: a collaborative tool for inexperienced writers: Thomas Hajduk; 12. Rewriting collaborative planning.
