this illuminating study offers a new insight not only into the work of australian aborigines but into the nature and origins of art itself the accidents of history have enabled a stone age culture to exist for a time side by side with modern australian life but its art forms so wnderfully preserved and now enjoying a late flowering under the stimulus of interest from the outside world must soon vanish wiuth the beliefs and social organization from which they sprang it is fortunate that a writer of karel kupka s imaginative sympathy and understanding has been able to record them for the benefit of the twentieth century man the author s approach is essentially that of an artist rather than of an anthropologist but his conclusions are based on a sound knowledge of anthropological findings as well as on that personal contact so vital to a real understanding of the aborigines book jacket

catalogue of exhibition that sets new standards for its photographs of australian sculpture which has always played a minor role in our art traditions being often overlooked in favour of painting this exhibition may contribute to sculpture being seen in a more positive light

catalogue of the fourth australian sculpture triennial which was mounted in conjunction with the 1990 melbourne international festival of the arts exhibitions from five victorian venues are covered by essays biographical and catalogue information as well as quality black and white and colour photographs
