padraig o malley is the subject of the new acclaimed documentary the peacemaker a thoughtful autopsy of the failed two state paradigm evenhanded diplomatic mutually respectful and enormously useful kirkus starred review disputes over settlements the right of return the rise of hamas recognition of israel as a jewish state and other intractable issues have repeatedly derailed peace negotiations between israel and palestine now in a book that is sure to spark controversy renowned peacemaker padraig o malley argues that the moment for a two state solution has passed after examining each issue and speaking with palestinians and israelis as well as negotiators directly involved in past summits o malley concludes that even if such an agreement could be reached it would be nearly impossible to implement given the staggering costs palestine's political disunity and the viability of its economy rapidly changing demographics israel's continuing political shift to the right global warming's effect on the water supply and more in this revelatory hard hitting book o malley approaches the key issues pragmatically without ideological bias to show that we must find new frameworks for reconciliation if there is to be lasting peace between palestine and israel

this timely work contributed by noted authorities explains the crucial events in the history of the israeli palestinian conflict that led to the un resolution to partition palestine into two states on november 29 1947 the book first analyzes the historical context of un resolution 181 including the positions and internal debates of the jewish and arab parties and of the international community it then introduces primary sources related to the resolution such as protocols letters reports and speeches some of these published for the first time in english by combining in depth analyses with such sources the book provides a rich and comprehensive overview of the subject from a variety of perspectives it shows that the arguments for a two state solution i e a jewish state along a palestinian state are as relevant today as they were then featuring both israeli and palestinian points of view this significant work renews the debate that has shaped and is still shaping the arab israeli conflict it will be an essential resource for anyone interested in the past and future of israel and palestine
