in this book johnston seeks to put the public interest onto the public relations radar arguing the need for its clear articulation into mainstream public relations discourse this book examines literature from a range of fields and disciplines to develop a clearer understanding of the concept and then considers this within the theory and practice of public relations the book s themes include the role of language and discourse in establishing successful public interest pr and in perpetuating power imbalances intersections between csr governance law and the public interest and how activism and social media have invigorated community control of the public interest chapters explore the role of the public interest including cross cultural and multicultural challenges community and internal consultation communication choices and listening to minorities and subaltern publics

approaching the theme from an antitrust perspective and focusing on telecommunications

and television broadcasting this volume examines how traditional european competition law doctrines and principles can be applied to this converging sector the application of antitrust rules to the communications sector is often one of the most controversial areas of law and policy the shift towards a more competition law oriented form of regulation is one of the main principles inspiring the recent reform of european sectorial regulation enshrined in the 2002 electronic communication package the package was adopted in 2002 and is in the process of being implemented throughout the union this monograph provides a detailed description of the new regulatory package and highlights the interplay between regulatory provisions and ec competition law it then follows the pattern of a typical antitrust analysis containing chapters on the definition of relevant market in the sector and various forms of abuses of market power the book also critically examines the commission s practice and policy in the field of merger control and considers its relationship with wider regulatory policies finally it analyses the sector from the perspective of the european public interest and the changed nature of communications as a public service

what is public interest law how effective is it what are the limits to litigation as a mechanism for conflict resolution in this study economists lawyers and sociologists evaluate an institutional form that is new to american society and indeed to the world the public interest law pil organization the book introduces the reader to the structure resources and activities of this nonprofit industry and also to the factors that affect pil firms in their choices of cases and methods of handling them the authors examine pil s vast range of contemporary public policy concerns these include such general topics as the environment consumerism housing employment discrimination medical care occupational health and safety education finance and taxation a number of base studies are presented and a method for economic analysis and evaluation is introduced and applied the study points to pil s success in advocating under represented interests in winning courtroom decisions and in translating legal victories into reallocations of resources at the same time it notes the bias of pil towards test case litigation a propensity to focus on judicial victories rather than on real social change and a tendency to use lawyers even when other types of professionals might be more effective many of these problems stem from uncertainty of funding and legal restrictions on nonprofit organizations the result is a set of hurdles that distracts pil firms from their principal goals the authors do not limit themselves to pil but comment on the effectiveness of legal instruments as devices for social change and on the behavior of the voluntary nonprofit sector a little studied portion of the economy the book presents a fresh approach to the study of both collective type economic problems and institutional setting in which public interest law works this title is part of uc press s voices revived program which commemorates university of california press s mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1978

this book offers readers an accessible and broad ranging guide to environmental public interest litigation epil which has burgeoned in china over the past decade the aim of this

book is to provide a systematic review of chinese experiences with epil in environmental matters both with a view to gauging its success to date and well as discussing some more critical aspects to this end the book systematically examines the establishment and development of epil in china s legal social and political contexts it examines particularly the significant role and functions of epil in china s environmental governance and the far reaching impacts on chinese civil society and governments it also offers readers an insiders perspective in terms of procedural and substantive issues with respect to epil by reviewing the institutional designs theoretical underpinnings and specific mechanisms the roles of various participants and stakeholders involved in this legal process at the same time it studies leading epil cases raised from environmental pollution natural resource damage and ecological damage and the effectiveness of environmental adjudication that sustains epil as a new form of judicial instrument this book is written to remedy the gap between chinese and english literature in this area of law the analysis of these issues through a historic and comparative perspective reveals the strengths and weaknesses of the current legal regime and serves as a basis for recommendations for bringing about more effective epil in china

when gregory lee johnson burned an american flag as part of a political protest he was convicted for flag desecration under texas law but the supreme court by a contentious 5 to 4 margin overturned that conviction claiming that johnson s action constituted symbolic and thus protected speech heated debate continues to swirl around that controversial decision both hailed as a victory for free speech advocates and reviled as an abomination that erodes the patriotic foundations of american democracy such passionate yet contradictory views are at the heart of this landmark case book jacket

the fourth estate

public interest law groups focuses on a special segment of the profession namely groups that provide cost free legal care to willing clients including legal aid and legal services groups interest groups that litigate and public interest law firms it ought to be an automatic purchase for law school libraries and it will fulfill needs for information about these organizations in large public and academic libraries wilson library bulletin in recent years public interest law has shifted from an exclusive interest in the expansion of rights in such areas as consumer protection environmental law and discrimination to a parallel concern with seeking limits to freedoms and rights in both the public and private sector in addition public interest law firms have introduced diversified litigation strategies that were uncommon even a decade ago this volume is the only comprehensive work to reflect these recent changes in the complexion and strategies of public interest litigation following an introduction describing the major shifts that have occurred in public advocacy the authors present over 300 profiles of firms groups and organizations that litigate in behalf of the public interest and or use the courts to achieve policy ends organizations surveyed include groups that focus on the protection of special interests rights or resources and those that offer legal aid in diverse areas as well as legal organizations such as the american bar association among the areas of concern are the advancement of science in the public

interest conservation consumer interests abortion constitutional and civil rights and the rights of groups ranging from the elderly women children and the handicapped to american indians and other minorities additional groups and significant public interest cases are listed at the end of the book an important source of information for those wishing more data on a particular group or the scope of today s public interest litigation this book is recommended for legal public and academic library reference collections

contains rules of both branches of the general court the constitution of the commonwealth and that of the united states lists of executive legislative and judicial departments of the state etc
