land has always been an important subject in texas in colonial times there was no gold or silver no rich cities or advanced civilizations to lure europeans and americans to texas they went for land when texas won her independence from mexico in 1836 she had only one source of wealth 216 million acres of public lands thomas lloyd miller traces the history of those lands from 1519 to modern times he gives a complete account of the acquisition and disposition of the lands explains what has been done about minerals timber and oil and discusses the work of the texas land office and its commissioners using documentary sources he examines the conditions of texas lands from spanish grants to the present conflict over tidewater lands and offshore sunken treasure much of his material is made known for this first time this volume covers all important legislation relating to the public lands lands for settlers for soldiers for internal improvements for schools as well as the administration of laws related to rights to timber and minerals into the story is woven fraud carelessness and sometimes unwise decisions but there is also to be found much wisdom on the part of dedicated statesmen and commissioners included are tables showing receipts from texas lands from 1835 through 1970 along with other tables of land grants to improve water transportation and grants for irrigation canals and ditches this account with its useful maps and interesting illustrations is a valuable and indispensable tool for the student of the legal and social history of texas and an informative source for the general reader it is a unique history of self government in the disposition of the public domain not equaled anywhere else in america or indeed in history

for twenty years the historical atlas of texas stood as a trusted resource for

students and aficionados of the state now this key reference has been thoroughly updated and expanded and even rechristened *texas a historical atlas* more accurately reflects the lone star state at the dawn of the twenty first century its 86 entries feature 175 newly designed maps more than twice the number in the original volume illustrating the most significant aspects of the state's history geography and current affairs the heart of the book is its wealth of historical information sections devoted to indigenous peoples of *texas* and its exploration and settlement offer more than 45 entries with visual depictions of everything from the routes of spanish explorers to *empresario* grants to cattle trails in another 31 articles coverage of modern and contemporary *texas* takes in hurricanes and highways power plants and population trends practically everything about this atlas is new all of the essays have been updated to reflect recent scholarship while more than 30 appear for the first time addressing such subjects as the *texas* declaration of independence early roads slavery the civil war and reconstruction *texas* oklahoma boundary disputes and the tideland oil controversy a dozen new entries for contemporary *texas* alone chart aspects of industry agriculture and minority demographics nearly all of the expanded essays are accompanied by multiple maps everyone in full color the most comprehensive state of the art work of its kind *texas a historical atlas* is more than just a reference it is a striking visual introduction to the lone star state

identified with *texas* is the first published biography of *texas* governor elisha marshall pease 1812 1883 presented by historian elizabeth whitlow as a dual biography of pease and his wife lucadia niles pease 1813 1905 born in connecticut in 1812 e m pease came to *texas* in 1835 where he became in his own words identified with *texas* pease volunteered to fight in the first battle of the revolution at gonzales and he served with the texan army at the siege of bexar afterward his career in public service began as a clerk at the convention of 1836 and the first draft of the republic's constitution is in his handwriting pease served in the first three state legislatures after *texas* joined the union in 1845 was

elected governor in 1853 and re elected in 1855 and returned to the governorship as an interim appointee from 1867 to 1869 during reconstruction his achievements in all these positions were substantial pease was also a highly successful and respected lawyer and a large landholder with properties in travis and many other texas counties he owned slaves but he did not take a strong proslavery position and when secession came in 1861 he continued to support the union he and his family remained in austin during the civil war and when it ended he did his best to heal wounds and restore texas to the united states in a second appointment as governor lucadia niles pease married marshall pease in 1850 and came to texas as a newlywed she was known as the governor s lady moreover her early independent travel and her stated position as a woman s rights woman in the 1850s as well as her support for sending a daughter away to college in the 1870s to earn a degree all serve as markers of her intelligence and the strength of her convictions to tell their story whitlow mined thousands of letters and papers saved by the pease family and housed in the austin history center of the austin public library as well as in the governor s papers at the texas state library and archives commission e m pease observed near the end of his life that he had been one of the people of texas since the colonial days of stephen f austin he and lucadia left an extraordinary historical record that documents the development of texas

for the first time the true story of the yellow rose of texas is told in full revealing a host of new insights and perspectives on one of america s most popular stories for generations the yellow rose of texas has been one of america s most popular western myths growing larger over time and little resembling the truth of what happened on april 21 1836 at the battle of san jacinto where a new texas republic won its independence the woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the north emily d west this work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth

an examination of state lands from a state rather than federal government perspective this study presents information from 22 us states in its discussion of state trust lands as models of public land administration
