this book shines a light on the specific role football played in relation to the international relations of the franco regime in mid twentieth century spain in the 35 years of the dictatorship of general francisco franco sport specifically football as the main mass sport was often used as a tool at the service of the political and diplomatic interests of the regime and this volume analyses how franco s government mainly through its ministry of foreign affairs used football as part of its foreign policy strategy to promote the international image of the dictatorship prestige international tours and friendly matches the european successes of real madrid cf and of the national team and the organisation of sporting events such as the 1964 european nations cup were used as instruments to strengthen the country s geopolitical interests this book responds to an important bibliographical gap that exists in relation to both research on franco s regime and the study of the role that sport played under franco and in comparison with other totalitarian regimes such as fascism and nazism football and international relations under francoism 1937 1975 is an ideal resource for academics in sports history football history and international relations studies as well as those with an interest in spanish history and the study of totalitarianism in europe

this book explores the issue of politeness phenomena and socially appropriate behavior in two societies Mexico and the United States in three different contexts: refusing invitations, requests, and suggestions. In addition to a state-of-the-art review of the speech act of refusals in numerous languages, the book provides a rigorous analysis of data collection methods utilized to examine speech act behavior at the production and perception levels. Many examples of native speaker interactions illustrate the similarities and differences observed in the realization patterns and the perception of refusals by Mexicans and Americans in formal and informal situations. The data are analyzed in terms of refusal sequences and pragmatic strategies which are strategically used to carry out relational work during the negotiation of face. The results of the quantitative and qualitative analyses are interpreted in light of the notions of face, politeness, and relational work in Mexico and the United States. This publication will be of interest to researchers and students in pragmatics and discourse analysis, cross-cultural communication, and sociology.
