an exploration of the mythology and philosophies of the hollywood writer and director of the films reservoir dogs pulp fiction and natural born killers

some acting careers are made by one great role and some fall into obscurity when one is declined would al pacino be the star he is today if robert redford had accepted the role of michael corleone in the godfather imagine tom hanks rejecting uma thurman saying that she acted like someone in a high school play when she auditioned to play opposite him in the bonfire of the vanities picture danny thomas as the godfather or marilyn monroe as cleopatra this reference work lists hundreds of such stories actors who didn't get cast or who turned down certain parts each entry organized alphabetically by film title gives the character and actor cast a list of other actors considered for that role and the details of the casting decision

information is drawn from extensive research and interviews from about last night which john belushi turned down at his brother s urging to zulu in which michael caine was not cast because he didn t look cockney enough this book lets you imagine how different your favorite films could have been

this book explores the different ways in which italian american directors from the 1920s to the present have responded to their ethnicity while some directors have used film to declare their ethnic roots and create an italian american imagined community others have ignored or even denied their background cavallero s exploration of the films of capra scorsese savoca coppola and tarantino demonstrates how immigrant italians fought prejudice how later generations positioned themselves in relation to their predecessors and how the american cinema usually seen as a cultural institution that works to assimilate has also served as a forum where assimilation was resisted book cover

madonna has long been accepted as a pop culture icon but this text postulates a greater cultural importance by analyzing her as a postmodern myth this work examines how madonna methodically discovered and constructed herself often rewriting her past the nature and extent of her ambition and the means she used to reach her goals it also details the way in which she organized her own cult borrowing from the gay community devised her artistic output and cunningly targeted different audiences it also studies the fundamental contradiction virgin or vamp saint or prostitute that fuels madonna s career and describes how madonna reflects today s society its contradictions and its attitudes toward sexuality and religion

who were the hip young maverick filmmakers who were allowed entry into hollywood many via indie films in the mid to late 1990s following the emergence of quentin tarantino

the third edition of this history of the art and craft of screenwriting from the silents to the present provides information and stories about those who write and have written for film includes anecdotal insights into the working lives of directors producers and stars as well as how american movies get made
