ancient and medieval labyrinths embody paradox according to penelope reed doob their structure allows a double perspective the baffling fragmented prospect confronting the maze treader within and the comprehensive vision available to those without mazes simultaneously assert order and chaos artistry and confusion articulated clarity and bewildering complexity perfected pattern and hesitant process in this handsomely illustrated book doob reconstructs from a variety of

literary and visual sources the idea of the labyrinth from the classical period through the middle ages doob first examines several complementary traditions of the maze topos showing how ancient historical and geographical writings generate metaphors in which the labyrinth signifies admirable complexity while poetic texts tend to suggest that the labyrinth is a sign of moral duplicity she then describes two common models of the labyrinth and explores their formal implications the unicursal model with no false turnings found almost universally in the visual arts and the multicursal model with blind alleys and dead ends characteristic of literary texts this paradigmatic clash between the labyrinths of art and of literature becomes a key to the metaphorical potential of the maze as doob s examination of a vast array of materials from the classical period through the middle ages suggests she concludes with linked readings of four labyrinths of words virgil s aeneid boethius consolation of philosophy dante s divine comedy and chaucer s house of fame each of which plays with and transforms received ideas of the labyrinth as well as reflecting and responding to aspects of the texts that influenced it doob not only provides fresh theoretical and historical perspectives on the labyrinth tradition but also portrays a complex medieval aesthetic that helps us to approach structurally elaborate early works readers in such fields as classical literature medieval studies renaissance studies comparative literature literary theory art history and intellectual history will welcome this wide ranging and illuminating book

this book discusses the theory and practice of labyrinth creation and use from issues of design and cost to how a labyrinth may be used as a university wide resource and also be used for outreach to the wider community it covers labyrinth use within disciplines such as initiatives to deepen reflection and explore contemplative approaches to learning in wider university contexts such as counselling chaplaincy learning and educational development widening participation and student transition across the whole university and reaching out to the wider community of which the university is a part from the labyrinth as a conference resource as well as topic to festival contributions learning with the labyrinth seeks to illustrate inspire and share ideas that can be taken further by the reader

the first time helen curry walked a labyrinth she was moved to tears and then was filled with peace and possibilities here she shares her years of experience with labyrinth meditation and shows how others can find serenity and guidance by adopting this increasingly popular practice unlike mazes which force choices and can create fear and confusion labyrinths are designed to embrace and guide individuals through a calming meditative walk on a single circular path the way of the labyrinth includes meditations prayers questions for enhancing labyrinth walks guidelines for ceremonies instructions for finger meditations and extensive resources this enchanting practical and exquisitely packaged guide helps both novice and experienced readers enjoy the benefits of labyrinth meditation from problem solving to stress reduction to personal transformation includes a foreword by jean houston the renowned author and leader in the field of humanistic psychology who is considered the grandmother of the current labyrinth revival

are you looking for a new way to renew your worship respond to the needs of the church and community and connect with people in their passage of life both chronological and crisis this book offers a rich resource to you both as a tool for worship and also devotionally as you face the deepest questions of life here you will find one way that the church can renew and rediscover its healing ministry abigail evans a leading specialist in bioethics and health ministries explores how god s gift of healing is available during all seasons of a person s life and how the

power of hope and healing are affirmed and redirected through liturgical services sacraments and rites this distinctive resource features specific healing liturgies for injury illness death separation retirement and a host of other major life events from a wide variety of religious traditions

the book follows the life of porfirio uribe a man in new york who just completed his law degree and gets accused of murder just for being a witness and a puerto rican he is eventually cleared of the charge during the novel the urban setting is represented as a labyrinth uribe travels to the dominican republic getting involved with the dictatorship from there he has to choose whether to join a conspiracy against the dictator or not
