a haunting examination of groupthink and mass hysteria in a rural community the place is salem massachusetts in 1692 an enclave of rigid piety huddled on the edge of a wilderness its inhabitants believe unquestioningly in their own sanctity but in arthur miller s edgy masterpiece that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft and then when those accusations multiply to consume the entire village first produced in 1953 at a time when america was convulsed by a new epidemic of witch hunting the crucible brilliantly explores the threshold between individual guilt and mass hysteria personal spite and collective evil it is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can a drama of emotional power and impact new york post

now a major film from 20th century fox this is the first ever adaptation of arthur miller s twentieth century classic for the big screen set in the 17th century it famously mirrors the communist witch hunts of mccarthyism in 50s america a fascinating and disturbing dramatisation of the collective psychology of persecution it shows all too painfully how even a close knit rural community can be desolated once doubt and suspicion take hold

the 1953 premiere of the crucible confirmed arthur miller s reputation as one of america s most important and serious playwrights as it underscored the earlier success of miller s pulitzer prize winning drama death of a salesman while dealing with the 1692 witch trials in salem massachusetts the crucible reveals miller s concern with issues of individual conscience and guilt by association issues that were manifest in the social and political problems of his own time the drama is both a historical play of 17th century colonial america and a parable about the communist witch hunts in the united states of the 1950s miller uses the moral absolutism of puritan salem to parallel the infamous congressional hearings led by senator joseph mccarthy the events which frame miller s tragic drama are separated by some two hundred and sixty years but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise with universal themes that transcend time and place including national borders the crucible remains one of the most often produced american plays worldwide in the crucible politics property and pretense james j martine extends his analysis beyond the standard critical appraisals that compare the drama s setting only to the time in which it was written the mccarthy era martine examines in detail miller s historical sources and the ways in which he adapted this material to his contemporary audience martine suggests the play should be read within a variety of contexts

that is as a product of and reaction to the mccarthy era as a milestone in the development of miller s work as an exemplar of the genre of tragedy as part of the tradition of american theatre and as a basis for later adaptations in his discussion martine considers both the written text and the play as public performance he examines the play s settings props and exits and entrances and draws attention to the various ways in which miller built these directions about the play s performance into the written text martine argues convincingly that the crucible should not be approached as a monochromatic written text as it often has been but as a multifaceted performance text his study includes photographs of a contemporary staged production in addition to commentary on robert ward s pulitzer prize winning opera based on miller s drama martine s multi leveled exploration enables the reader to understand and thus appreciate the crucible and arthur miller more fully book jacket title summary field provided by blackwell north america inc all rights reserved

an introduction to arthur miller s play the crucible discussing the author s life the impact of the play its plot cast of characters literary criticism and pertinence for today s audiences
