throughout history reform has provoked rebellion not just by the losers from reform but also among its intended beneficiaries finkel
and gehlbach emphasize that especially in weak states reform often must be implemented by local actors with a stake in the status
quo in this setting the promise of reform represents an implicit contract against which subsequent implementation is measured when
implementation falls short of this promise citizens are aggrieved and more likely to rebel finkel and gehlbach explore this argument
in the context of russia s emancipation of the serfs in 1861 a fundamental reform of russian state and society that paradoxically
encouraged unrest among the peasants who were its prime beneficiaries they further examine the empirical reach of their theory
